

Northern Grown Perennials--Hosta Listing 2022

<u>Plant Name</u>	<u>Description</u>	<u>Price</u>
<u>A Passion For Purple OS</u>	Med, strong growing green lanceolate foliage covered at bloom time with a BOLD SHOWER OF PURPLE BLOOM--hard to miss. Red hued petioles and then deep purple, near black seed pods. An unusual novelty that we enjoy. Plant this one in stronger sun for best bloom and pod color. See our NGP introductions for pictures and full description.	\$35.00
<u>Abba Dabba Do</u>	Lg, upright powdery blue-grn. w. gold border; vigorous, prospering even in deeper shade; plant in a place where it can spread as it will spread to form a grand clump reaching up to 5' across. Makes a great companion when planted with clumps of NIGRESCENS.	\$10.00
<u>Abby</u>	Sm, heart-shaped green leaf w. gold edge; neat, tidy mound; nice all season; vigorous	\$6.00
<u>Abiqua Drinking Gourd</u>	Med-lg, VERY CUPPED, puckered deep blue; distinctive as a single or in an established clump; an apt name for this totally distinctive cultivar. We saw it as an unintroduced seedling in Charlie's garden--were impressed then and still are now. Super companion for golds. Absolutely THE best of type;	\$10.00
<u>Abiqua Elephant Ears</u>	VLg, we saw this Abiqua introduction as a seedling in Charlie's garden and thought it aptly named. Very large leaves have the shape on an elephant's ears. Medium green. Forms massive, impressive clump. Very hard to find. Best to avoid deep shade for optimum growth.	\$25.00
<u>Abiqua Moonbeam O.S.</u>	Lg, intense grn. w. wide lime-to-gold border; vigorous, showy sport of August Moon; am sun	\$8.00
<u>Abiqua Recluse O.S.</u>	Med-Lg, top quality, round, very puckered foliage of strong substance, bright gold; great color; likes am sun; a personal favorite here; one of Purdymun's best intros	\$14.00
<u>Alex Summers</u>	Lg, EXCELLENT, distinctive, upright gold leaves w. blue-grn; bold, sport of Gold Regal. Intense gold margins.	\$10.00
<u>All That Jazz</u>	Lg, tall, rather oval shaped leaf w. clean yellow borders; forms an impressive, spreading clump; glossy, shining foliage; always looks nice	\$18.00
<u>Allen P. Haskell OS</u>	Med, milky green heavily streaked w. cream and white; rapid grower; have used A.P.H. successfully to produce variegated kids	\$25.00
<u>Alliteration O.S.</u>	Lg, our introduction; wild multi colored/splotched Cynthia offspring; spring expression is especially wild with no two leaves having the same appearance; see description under NGP introductions	\$50.00
<u>Alvatine Taylor</u>	Lg, powdery blue-grn w. gold border; heavy substance; takes more sun than others of type; a Minks intro that is vastly under-utilized	\$10.00
<u>American Dream</u>	M-L, mound of chartreuse leaves that age to a golden yellow with wide white margins; lightly rippled edging	\$10.00
<u>American Halo</u>	Lg, rugose round Sieb type w. wide, showy clean white borders; best in shade	\$10.00

<u>American Icon</u>	Lg, elongated, rippled edges; wide, creamy gold borders; controlled clumper; choice	\$10.00
<u>American Sweetheart</u>	Med, upright clump; shining green leaf w. bold white center swath; distinctive; best in semi shade and a fine contrasting companion plant for more spreading cultivars.	\$10.00
<u>Angel Falls</u>	Lg, cascading cream foliage with green margins that streak into leaf centers. Deep veining; sport of Niagra Falls. Super expression	\$16.00
<u>Aqua Velva</u>	Lg, distinctive blue-green with rather elongated shade shaped leaves. Widely undulating edges. Both the color and leaf shape/surface are distinctive.	\$12.00
<u>Arc de Triomphe</u>	Lg, dark grn. w. creamy yellow margins; prominent veining; widely undulating edges, forming distinctive clump w longer, rather tapering, pointed leaves	\$16.00
<u>Arctic Circle</u>	Med, dense mound of matte green with creamy gold borders on semi elongated foliage. NOVEL SPRING EXPRESSION of cream flecking over the surface of the leaves. This introduction of Chet Tompkins is strong in CYNTHIA breeding and does well under a range of light situations. Finally enough to place on the general listing	\$15.00
<u>As You Like It OS</u>	Med-Lg, shimmering early season chartreuse foliage that changes first to cream with green tips and ultimately to smooth, glowing cream hues with glossy expression. A really nice "changling" that we have been very pleased with. Avoid full sun. Dappled shade for best expression. We haven't seen anything else quite like it. See pics and full description on our NGP Hosta introduction page.	\$50.00
<u>Aspen Gold</u>	Med, very cupped and puckered w. heavy substance; color expression a unique, <u>milky chartreuse gold</u> ; great companion for Ab. Drinking Gourd, Love Pat, Midas Touch and Superbowl; pm shade	\$14.00
<u>August Moon</u>	Lg, chartreuse gold; vigorous; sun or shade; worthy classic that readily stands the test of time	\$8.00
<u>Autumn Frost</u>	Med, new sport stemming back to its heritage of 'Halcyon', this cultivar boasts very heavy substance on foliage with dark green-blue centers and bright yellow-gold margins. Forms a clump that demands attention. Just a very few available.	\$18.00
<u>Aztec Treasure</u>	Med, forms controlled, dense clump with strong gold expression	\$12.00
<u>Benediction O.S.</u>	Lg, our intro; softly glowing, emblicated gold leaves; deeply impressed veining. A good grower, forming ultimately a 4' clump. Perfect for a more shady setting where the soft gold glow readily expresses interest. See description under NGP introductions	\$40.00
<u>Beyond Glory</u>	Lg, this sport of Old Glory goes a step beyond with even wider margins and more contract. Clean gold centers with dark green-blue borders. Same very pleasing, rounded mound effect at O.G. Very strong grower. <u>CHOICE</u> . Quickly forming a large, dense clump.	\$14.00
<u>Big Daddy</u>	Med-Lg, heavy subenced blue leaf; semi cupped and puckered; <u>strong, deep blue expression</u> . <u>CHOICE</u> favorite here in a more compact clump that is well behaved	\$10.00
<u>Big John OS</u>	Extra Lg, finally enough to offer again; impressive dark gray-green foliage that dimples with maturity. Leaves arch upward and then tip gently downward. Well grown this big boy makes a commanding clump. At its best in dappled shade.	\$20.00

<u>Big Mama</u>	Lg, <u>spreading</u> , low mound of <u>puckered, blue-grn.</u> foliage; way too little utilized; vigorous grower	\$10.00
<u>Big Top</u>	VLg, upright clumper; very round, unruly, distinctive medium green leaf; heavy subst; corrugated, vigorous	\$10.00
<u>Biggie</u>	V-Lg, rugose, dark green with heavy substance; strong grower even in deep shade	\$8.00
<u>Birchwood Parky's Gold OS</u>	Med, smaller, light, even gold that seems to perform readily wherever it is planted. Good grower. Rock hardy. No fireworks needed here--just a nice garden hosta that has earned it place in the ranks.	\$6.00
<u>Black Hills OS</u>	Lg, semi-cupped, heavily puckered, very dark grn ; forms tight clump; one of the best Savory introductions; very contrasty w variegated neighbors; best in shady setting	\$12.00
<u>Black Jack OS</u>	VLg, striking mound of corrugated/pebbled dark blue-green foliage. Heavy substance; more blue in spring and dark green toward end of season. Foliage is often reflexed in form. Leaves tend to be quite round in form.	\$18.00
<u>Blue Angel</u>	HUGE, blue-grn; vigorous, tall, spreading mound; heavy subst; dramatic clump readily spreading to 6'; a superior classic that does well even in deepest shade	\$10.00
<u>Blue Arrow</u>	Med, blue w. semi-erect habit; pointed leaves with undulating edges at maturity; heavy substance; distinctive	\$10.00
<u>Blue Betty Lou</u>	Lg, vigorous; round, rugose leaves; good color, substance	\$10.00
<u>Blue Blazes</u>	Lg, heavily puckered powder blue; rapid Sieboldiana type	\$10.00
<u>Blue Hawaii</u>	Med-Lg, heavy substanced deep blue leaf with nice <u>silvery patina</u> ; puckers with maturity.	\$12.00
<u>Blue Mammoth</u>	VLg, distinctive clump; rather elongated leaves w. prominent veining; <u>powder silver patina</u> ; specimen that speaks for itself as it creates a real "presence" in any planting	\$12.00
<u>Blue Splendor</u>	Med-lg, EXTREMELY BLUE, cupped, puckered, heavy subst; TOPS	\$12.00
<u>Blue Tooth</u>	Med, <u>very powdery blue expression on long, pointed leaves</u> . Forms a rather pinwheel like clump. Nice color through the season	\$10.00
<u>Blue Umbrellas</u>	HUGE, tall, mound w. deeply impressed veining on shimmering, round leaves; another of the classics that deserves a place in every garden; avoid strong sun for best expression;	\$10.00
<u>Blue Vision</u>	Lg, dense well behaved clump w. intense, deep, powdery blue puckered leaves; heavy substance and a super companion for golds	\$10.00
<u>Blue Wedgwood</u>	Med-sm, fine tardiana w. very heavy substance; good color. This is another one of the deserving hostas that has been somewhat shoved aside for newer but often less deserving introductions.	\$8.00
<u>Borwick Beauty</u>	Med-lg, Sieb. type w. blue border and gold centers; lovely in dappled shade. <u>Hard to find.</u>	\$20.00
<u>Bottom Line</u>	VLg, Sum And Subsance sport w. a gold border; very heavy substance on somewhat elongated foliage; strong grower; takes good sun here	\$10.00
<u>Brave Amherst</u>	Med, distinctive expression of deep powdered blue with white margins. A Lachman introduction that deserves a place in any hosta garden	\$10.00

<u>Bridal Falls</u>	Lg, sport of Niagra Falls with white edging. Very striking expression. Limited supply for this season. We heartily recommend this one.	\$15.00
<u>Bridegroom</u>	Med, heart shaped, curly tipped, shining green foliage; extreme vigor; a strong shower of purple bloom	\$8.00
<u>Bright Lights</u>	Med, heavy subtanced gold w. blue border; takes good sun; choice even as a single; if you find it difficult to grow Tokudama Aureo Nebulosa, this one is a good substitute. Heavy substance; good color. Vastly under rated! favorite here	\$15.00
<u>Broad Band</u>	Lg, heart shaped leaf w. <u>exceptionally wide, showy cream borders; nothing else quite like it.</u> An exceptional hosta that stands out totally from the pack. CHOICE	\$14.00
<u>Brother Stefan</u>	Lg, blue-grn. w. BRIGHT GOLD centers; good grower; takes lots of sun here; CHOICE and justifiably popular	\$15.00
<u>Brutus</u>	VLg, tall powdery grn; heavy subtanced wedge shaped foliage; stately, vaselike clump; choice, dominating specimen; CHOICE IN ALL REGARDS	\$15.00
<u>Buckshaw Blue OS</u>	Med, have grown this strongly colored blue from Tokudama background for well over 25 years and it still ranks at the top of the blues. Heavy substance, deeply veined. The blue color is intense! Slower growth rate, but worth the patience. Give more shade for best color	\$12.00
<u>Bumblebee</u>	Med, fast growing, smooth, bright yellow, forming dense, compact clumps; contrasty with blues	\$12.00
<u>Cair Paravel O.S.</u>	Lg, our introduction; <u>wavy edged gold-chartreuse.</u> Forms a spreading mound. Wavy edging becomes dominant as clump matures. Description and picture under NGP introductions	\$35.00
<u>Camelot</u>	Med-sm, intense silvery patina type blue w heavy subst and slug resistance	\$10.00
<u>Canadian Shield</u>	Sm, heavy subtanced, leathery glossy DARK GREEN. As close to a black-green as one can find. Vastly under rated for a novel and worthy cultivar.	\$8.00
<u>Captain Kirk</u>	Med, large gold swath center w. green borders; great vigor; forming dense clumps. A very neat, very balanced no fuss hosta that has become more and more popular.	\$10.00
<u>Carnival OS</u>	Med, very round leaf w. wide gold margin; leaves are often reflexed; distinctive appearance; low growing. One of Lachman's nicer introductions.	\$8.00
<u>Celestial</u>	Lg, heavy dark green w. wide, irregular creamy white borders; feathered green tones; dense clump	\$12.00
<u>Cerulean Magic</u>	Med, ovate blue leaf of heavy substance; nice glaucous bloom on both tops and understides of foliage. Makes a contrasty companion to golds. Planted next to Streets Of Gold here, making a good show.	\$10.00
<u>Chinese Sunrise</u>	Med-sm, gold centers w. green edging; extreme vigor; nice as specimen; strong ground cover and a choice edger	\$6.00
<u>Christmas Tree</u>	Lg, lovely, mounded clump; round, puckered, gold edged, deep green leaf; not brand new and not expensive, but very worthy	\$8.00

<u>Christmas Tree Gala</u>	Lg, round, very puckered dark green foliage with cream/white streaking. <u>Excellent parent for variegated offspring. Renowned hybridizer's hosta</u>	\$35.00
<u>City Lights</u>	Lg, round, heart shaped foliage, starts chartreuse and turns bright gold with a bit of morning sun; great contrasted with intense blues	\$12.00
<u>Clausa</u>	Med-sm, straplike, dark grn; bold, deep red-purple buds; spreads by stolons. Good supply so we send multiples	\$6.00
<u>Climax</u>	Lg, rugose green. w. wide gold borders; tall and stately; choice specimen, personal favorite	\$12.00
<u>Cloudburst</u>	Med-lg, heavy substanced, unrully blue-green that turns shining green as season progresses. Tight, round mound form with round leaves.	\$12.00
<u>Coast To Coast</u>	V-Lg, solid, wedge shaped gold leaves w. <u>contrasty lavender bloom</u> ; heavy substance; puckers heavily w. age; a new one that makes a dramatic statement quickly. Grows quickly, making a commanding clump; one of the best of the newer golds	\$12.00
<u>Color Glory</u>	Lg, round, Sieboldiana type leaf w. blue-grn edges and gold centers; heavy substance, corrugated w. age; given time and the right setting C.G. becomes a dramatic focal point. Hard to find these days.	\$20.00
<u>Commander</u>	Med, medium green, heavy subst. leaf w. wide creamy-turning-white margins. Makes a staid, neat clump	\$10.00
<u>Corn Belt</u>	Med, intense yellow leaf with wide green borders; vigorous, forming a striking clump	\$12.00
<u>Corn Muffin</u>	Med, pleasingly round, dense, compact gold; heavy subst; pebbling at maturity on round, puckered leaves. Choice.	\$12.00
<u>Crested Reef O.S.</u>	Med, staid, satiny green w. wide undulations; very nice classic	\$8.00
<u>Curlew O.S.</u>	Sm, compact, tidy clump; very blue w. heavy substance; one of the nicest of the tardiana series	\$10.00
<u>Curly Fries</u>	Small, <u>award winning clean chartreuse with narrow foliage, quickly forming a compact clump</u> . Nice spray of lavender bloom in mid summer.	\$10.00
<u>Cynthia O.S.</u>	Lg, elongated, montana type leaf with strong undulations on edgine; an absolute wild display of splashing, splotching, checkering; a rarity that has become increasing difficult to find; out stock comes from Chet Tompkins; a heritage hosta predating WWI; top parent in our hybridizing	\$50.00
<u>Cynthia (green form) OS</u>	Lg, impressive clump of deeply veined foliage w. strongly wavy edging; great vigor	\$10.00
<u>Dancing Queen</u>	Lg, <u>wavy piccrust edges, clean yellow especially vivid spring color; retains color through most of season; CHOICE</u>	\$12.00
<u>Dark Treasure OS</u>	Lg, very round, leathery, rugose foliage; very dark, sultry green with a definite gloss ; grows readily; specimen for a shady setting to keep the ultimate color expression; see NGP introductions page for pics and more info	\$75.00
<u>Dawns Early Light</u>	Med, heavily ruffled foliage with wavy edges; especially fine clean spring gold-cream expression. Grows readily. Best in shadier site. Limited supply.	\$10.00
<u>Day's End</u>	Lg, dark green leaves w. precise gold edges; strongly spreading mound form; rapid grower; always looks nice	\$10.00

<u>Deep Blue Sea</u>	Med, most likely Seaver's best; ultra deep blue hue w. strong patina; rather cupped; very rugose; excellent specimen	\$14.00
<u>Deja Blu</u>	Sm, unique sport of Blue Boy with wavy blue-green leaves edged in chartreuse cream. Lighter cream line between centers and outer edges, making an interesting presentation. Strong grower; nice clumper.	\$8.00
<u>Delta Dawn</u>	Med-Lg, a unique soft chartreuse gold with creamy white edges.	\$15.00
<u>Diamond Lake</u>	Lg, <u>one of the most impressive new "blues"</u> available; DEEP BLUE, heavily puckered, strong grower. We thought it would be good, but it goes way beyond "good"! Nice 2-year old plants	\$15.00
<u>Dick Ward</u>	Lg, heavily corrugated leaf w. gold centers; wide green borders; striking clumper; takes good sun here;	\$12.00
<u>Doubloons</u>	Lg, new, heavy substanced gold; elongated, pointed foliage; good color; am sun	\$10.00
<u>Dragon Fire</u>	Lg, long pointed powdery green leaves w. reddish-purple petioles; specimen	\$12.00
<u>Dragons Eye</u>	Lg, milky green foliage with <u>tall purple petioles</u> ; lavender bloom	\$12.00
<u>Earth Angel</u>	Lg, stunning gold bordered form of the equally stunning parent, Blue Angel; large, spreading established clump. choice!!	\$12.00
<u>Edge Of Night O.S.</u>	Med, very dark glossy green. w. nicely dimpled leaves; vigorous; best in deeper shade for color. One of the darkest "greens" we have seen.	\$10.00
<u>Edina Heritage O.S.</u>	Lg, long pointed green Montana type foliage with wavy edges and deeply impressed veining. A mature clump spreads to 5'. Strong grower.	\$10.00
<u>El Capitan</u>	Med-Lg, vigorous, blue-green w. wide gold border; strong grower; dense clump; distinctive coloration	\$10.00
<u>Elatior</u>	HUGE, tall, upright, glossy, moss-grn leaves; 6' scapes; grand specimen; makes strong statement. This is one of those backbone type hostas that draw a commanding focus. Give it space.	\$12.00
<u>Emeralds And Rubies</u>	Sm, glossy dense clump of shining green; reddish colored petioles, <u>shower of purple bloom</u> ; rapid grower	\$8.00
<u>Erie Magic</u>	Med, muted chartreuse with precise creamy edges; very dense well behaved clump quickly taking on clump size	\$8.00
<u>Faith</u>	Lg, round, deep gold; heavily corrugated at maturity; heavy subst; one of the best of the newer golds; Choice	\$14.00
<u>Fandance</u>	Med, yellow centers w. green rims; center turns parchment white; very nice	\$8.00
<u>First Blush</u>	Med-Sm, THE HOTTEST NEW HOSTA available, and rightly so as there is no other hosta that approaches its expression and novelty. Foliage spreads in rather a pinwheel form. Leaves emerge with a strong lavender-red infusion or brushing. Petioles are strongly red and remain so through the season. It merits a place in everyone's garden. CHOICE	\$20.00
<u>First Dance</u>	Lg, wide yellow center with bright green margins that streak into the centers of the leaves. Foliage has nice rippled edging. A sport of the popular 'Dancing Queen'. Strong grower that establishes quickly, giving a strong garden focal point. A favorite here	\$14.00

<u>First Frost</u>	Sm, white edging on heavy subst. blue leaves; very popular for good reason; June sport	\$10.00
<u>Fluctuans</u>	VLg, <u>tall powdery grn; heavy substanced wedge shaped foliage;</u> stately, vaselike clump; choice, dominating specimen; rare	\$20.00
<u>Formal Attire</u>	Med-lg, grn. w. pronounced, wide white border; neat, round clumper; rapid growth	\$8.00
<u>Fort Knox O.S.</u>	Med, bright gold Tokudama type w. heavy, semi cupped leaf and a rather vase shaped clump	\$12.00
<u>Fragrant Blue Ribbons</u>	Med, variegated sport of Fragrant Blue; white edging on pointed leaves with <u>strong powdery blue expression;</u> new	\$12.00
<u>Fragrant Bouquet</u>	Lg, shimmering creamy edged mint green leaves; takes good sun here; fragrant. May not be new, but a choice hosta that grows well and always looks great to the end of the season; personal favorite	\$14.00
<u>Fragrant Fire</u>	Lg A variegated form of H. 'Old Faithful'. Large, glossy, green leaves with creamy yellow margins are held in an upright position The petioles and bloom scapes have reddish tones. Fragrant white flowers	\$15.00
<u>Frances Williams</u>	Lg, there are many so called F.W. hostas floating around. This is the real thing. Allen P. Haskell shared a start with us years ago, and he was given a start by Frances Williams herself, who found the sport in her garden. Limited number available	\$20.00
<u>Fried Bananas</u>	Lg, glossy gold leaves; vigorous compact clump; some fragrance; very nice in shade, but more gold in stronger light	\$8.00
<u>Friends</u>	Small, clean, light chartreuse with very narrow foliage, quickly forming a dense, compact clump. Nice spray of lavender bloom in mid summer. <u>A personal favorite among the small ones here.</u> Perfect for a small corner or edging.	\$10.00
<u>Frost Giant</u>	V-Lg, clean blue-green w. bright gold-yellow border; heavy substance. Develops some rugosity with maturity.	\$16.00
<u>Frosted Jade O.S.</u>	Very lg, pointed montana type leaf w. white borders; vastly underrated! A well grown clump is SINGULAR in its expression of clump form and pure white edging.	\$16.00
<u>Fujibutan</u>	Med, dark glossy green with taller bloomscapes; striking DOUBLE deep lavender blooms. Late, novel bloom.	\$10.00
<u>Garden Party</u>	VLg, upright, heavily dimpled limey gold with narrow green edging; staid garden presence. Sport of GOLDEN SCULPTURE.	\$12.00
<u>Garden Treasure</u>	Lg, blue-grn. leaf ; dimpled, with strong intense gold border; good grower; we are impressed with the overall quality	\$12.00
<u>Garnet Prince O.S.</u>	Med, upright, vaselike clump; deep green leaf; <u>purple petioles, bright purple bloom</u>	\$10.00
<u>Gay Blade O.S.</u>	Med-sm, pointed leaves with creamy white edges; a really fine Lachman intro; vigorous and showy	\$8.00
<u>Geisha</u>	Med-sm, glossy grn, twisted leaf w. gold centers; strong clumper; holds shiny expression nicely; makes a great edger with dense clumps	\$8.00
<u>Gentle Giant</u>	VLg, fitting name for an impressive specimen; glaucous blue foliage that is semi cupped with heavy pebbling at maturity; round mounded clumper; we have some extra nice plants lined out	\$16.00

<u>Gilt Edge (Tompkins) O.S.</u>	VLg, round, blue, rugose leaf; very wide gold borders; one of Chet Tompkins favorite intros; grows well even in deeper shade here; top specimen	\$25.00
<u>Glad Rags OS</u>	Med-Sm, controlled mound form; starts chartreuse, then turns to irregular green centers with wide gold borders; final change in proper siting goes to bone white borders with intense green center swaths; great companion for medium size blues and golds; see NGP introductions page for pics and more info; VERY LIMITED. (NOTE: the Glad Rags available from large nursery catalog sites are 100% tissue cultures and are usually sold as very small nupot plants. All our Glad Rags plants are from our own stock and are lined out singles from divisions of 4-year old clumps. We do not have any of our introductions tissue cultured.)	\$50.00
<u>Glory</u>	Med, vigorous gold; fine color; deeply impressed veining; neat, dense clumper; too often overlooked	\$8.00
<u>Gold Edger</u>	Med-sm, superior edger variety; sun or shade; great vigor	\$6.00
<u>Gold Regal</u>	Lg, upright vasselike gold; long petioles; spear shaped leaves; great clump impact; a favorite here; am sun	\$10.00
<u>Gold Standard</u>	Lg, lovely classic; ivory centers. w. grn. rims; best in shade; top ranked oldie that simply holds its own	\$6.00
<u>Golden Anniversary O.S.</u>	Med, waivy-edged leaf; ghostly cream spring expression; another unique oldie; strong grower with widely undulating edges	\$8.00
<u>Golden Empress O.S.</u>	Sm, heart-shaped leaves of med. gold; vigorous; <u>nice deep lavender bloom</u> ; strong grower	\$8.00
<u>Golden Fountain O.S.</u>	Med, upright, cascading clump of gleaming creamy gold; displays a shower of clean lavender blooms!	\$10.00
<u>Golden Sculpture</u>	V-Lg, strong, rounded mound of medium gold; heavy puckering; fast grower; specimen clump	\$10.00
<u>Golden Waffles</u>	Med-Lg, round gold leaves w. strong puckering; round foliage; staid performer; hard to find	\$10.00
<u>Good As Gold</u>	Med, a distinctly "different" gold toned hosta; emerges more chartreuse and mutes to a soft yellow with impressed veining. Dimples with age. Forms a rather tabletop type of clump form.	\$10.00
<u>Grand Slam</u>	Med, glossy green, heartshaped leaf; nicely <u>ruffled edges</u> ; mounded form; strong, late purple bloom	\$10.00
<u>Grand Tiara</u>	Med-sm, grn. w. wide gold borders; sharp all summer; our choice for the best of the Tiaras	\$8.00
<u>Great Lakes Gold</u>	Lg, tall, upright gold forming impressive clump; nice puckering at maturity; good color expression; increasingly popular w garden visitors and rightly so	\$14.00
<u>Green Piecrust</u>	Lg, deep green w wavy piecrust edges and a nice sheen; quickly forms an impressive large clump; becomes quite dimpled with age; too often overlooked; one of our favorite greens. TOPS	\$10.00
<u>Green Sheen</u>	Very Lg, bright, shiny light grn; spreading habit with heavy substance; strong grower. Not ruffled, not puckered, just a good solid performer with nice sheen	\$10.00

<u>Guacamole</u>	Lg, glossy, chart. w. drk. grn. border; semi fragrant bloom; takes good sun here; more creamy tones and more compact plant in stronger sun and shimmering, deeper expression in stronger shade; has justifiably become a modern classic; TOPS	\$10.00
<u>Guardian Angel</u>	Lg, like Blue Angel. but w. unique white marbled center which holds quite well throughout season. UNIQUE	\$12.00
<u>Gunsmoke</u>	Lg, blue-green w. a distinctive smokey overlay; heavy substanted, deeply impressed veining; widely undulating edges. We were initially rather unimpressed, but as our plants clumped up, we became more impressed. Makes a choice clump	\$12.00
<u>Gypsy Rose</u>	Med-sm, bold, creamy white center swath in a dark green leaf; compact clump; strong grower; distinctive expression	\$10.00
<u>Halcyon</u>	Med, intense, leathery blue; holds color until frost; fine classic yet to be outclassed; super companion for smaller golds	\$10.00
<u>Hanky Panky</u>	Sm, Sport of 'Striptease'; makes a fast growing 3' wide clump of dark green leaves surrounded by a gold border with a narrow white thread between the two patterns. As the season progresses, the yellow edge changes to white with an unusual light green overlay.	\$12.00
<u>Happy Dayz</u>	Med, smaller, <u>very snappy gold centered sport of Orange Marmalade; very bright expression</u> ; strong grower and takes more than average sun here. One of THE very brightest newer hostas available. We recommend it highly	\$14.00
<u>Harmony</u>	Sm, very blue tardiana type w. narrow, upright habit and heavy substance; very nice	\$8.00
<u>Harpoon</u>	Med-sm, narrow, wavy edged grn. w. shiny cream border; strong grower; great for ground cover or edger; grows well even in deeper shade	\$8.00
<u>Heartache</u>	Med-sm, tightly compact clump with gold heart-shaped leaves; neat, mounded form that behaves itself	\$8.00
<u>Heatwave</u>	M-Sm has cupped and corrugated chartreuse leaves with a wide blue-green margin . The center of the leaf will brighten if given a bit more sun; heavy substance, forming a rather flat, tabletop clump expression.	\$14.00
<u>Her Eyes Were Blue</u>	Med-sm, <u>striking powdery blue with puckered foliage and very wavy margins</u> . Finally enough again to list. CHOICE	\$18.00
<u>Hiroa Splendor O.S.</u>	Med-sm, shining deep green narrow elongated leaf; <u>shower of purple bloom in late summer</u>	\$8.00
<u>Hiroa Supreme</u>	VLg, spreading mound; heavy, shiny green; leaves arch upright and then tail downwards	\$10.00
<u>His Honor</u>	VL, upright, tall, absolutely commanding clump; round green leaves w. creamy borders; long petioles; a mature clump demands attention!!! CHOICE	\$14.00
<u>Holly's Dazzler</u>	Med, shiny, clean green w. strongly rippling edges; <u>strong purple bloom</u> ; nice accent plant	\$8.00
<u>Honey Pie</u>	Lg, puckered gold foliage with heavy substance and a nice shimmer. Being of Plantaginea breeding, H.P. has fragrant blossoms. Takes a fair amount of sun, but give high shade during heat of day for best expression. Good grower.	\$12.00

<u>Honeysong</u>	Med, dense mound of round green leaves with wide cream borders; strong grower. Early morning sun is best.	\$10.00
<u>Hovercraft</u>	Med, round, heavy substanced blue leaves held on upright petioles; forms a spreading, rather tabletop presentation	\$12.00
<u>Humpback Whale</u>	Huge, unique dome shaped blue-green leaves; quickly forms dramatic clump; give it plenty of space	\$12.00
<u>Ice Cream</u>	Sm, round green. leaves w. wide gold borders; compact, low profile; sharp unobtrusive hosta that tucks in readily to small spaces; always winter hardy here	\$8.00
<u>Ice Palace</u>	Lg, INTENSE DARK BLUE foliage, puckered and pebbled with unruly foliage. Likely "the" darkest blue we have seen. Strikingly CHOICE	\$25.00
<u>Immense</u>	VLg, vigorous clean colored bright green with very spreading form; strong grower; give it space; performs well even in dense shade	\$8.00
<u>Inniswood</u>	Med; bright gold w. strong green borders; rapid grower, forming dense, striking clump; takes good sun here and still looks fine; a favorite here; choice	\$10.00
<u>Invincible</u>	Med, distinctive glossy green. w. wavy margins; plastic-like appearance; very nice; best in more shade where the shimmering expression is at its strongest; vastly under rated	\$8.00
<u>Invocation O.S.</u>	Lg, our introduction; lg, smooth gold w. cream borders; dimples with maturity; takes on brassy tone in the right light site; see description under NGP introductions	\$40.00
<u>Irish Luck</u>	Lg, if you want a totally unique glossy green, here it is; heavy substanced, shining leaves w. strongly waving edges; fast grower; you don't have to be Irish to like this one	\$12.00
<u>Ivory Necklace</u>	Sm, tidy clump of shiny green spooned leaves w. <u>pure white rims</u> ; tuck it in a spot for a bright accent	\$8.00
<u>Jack Of Diamonds O.S.</u>	Med, very heavy subst. silvery-blue w. bright gold borders; compact clump; puckers with age; another Savory intro that has proven its worth. Personal favorite.	\$14.00
<u>Jade Cascade</u>	Lg, dynamic grn. w. long, deeply veined, very pointed, tall, arching leaves; personal favorite and a good hybridizing parent; TOP Speciman	\$16.00
<u>Jade Lancer O.S.</u>	Lg, an 'Antioch' kid from Tompkins with the same pure white borders that streak down into the leaf; more compact and mounded in form than parent; great vigor; our stock came from Chet Tompkins who was the hybridizer	\$10.00
<u>Janet</u>	Med, pale, lime-to-white center. w. dark green. border; am sun; a snappy smaller plant that grows quickly	\$6.00
<u>Janet Day O.S.</u>	Med-sm, creamy gold centers; green margins; always sharp; a rather upright clump form	\$10.00
<u>Jewel Of The Nile</u>	Med-Lg, dark green w. wide, intense gold borders; vigorous; good substance	\$10.00
<u>Joanne Johnson</u>	Sm, blue-green leaves; neat, tight, vigorous clump; Tardiana type foliage	\$10.00
<u>John Wargo O.S.</u>	Med, upright form, like a small version of Krossa R. with red petioles; a "quiet" sort of hosta that still has a very nice impact	\$10.00

<u>Jotunheim O.S.</u>	Very lg, our intro. <u>heavily puckered blue with intense color and strong frosty patina;</u> description and pics under NGP introductions; limited	\$50.00
<u>Joy Ride</u>	Lg, elongated, unruly, blue, boat-shaped, widely undulating foliage; something different from the ordinary; strong grower	\$10.00
<u>June</u>	Sm, blue bordered and gold centered leaf; distinctive; highly favored for good reason; makes a sharp border/edger; choice	\$10.00
<u>Jurassic Park O.S.</u>	HUGE, our intro; massive spreading clump; nicely puckered foliage; give it lots of room.see full description under NGP introductions. Our mother clump readily reaches 8' across without fertilizer. You can readily find tissue cultures from various sources--small tissue cultures. We have never had any of our introductions tc'd. We ship only large size plants of 2-3 eyes.	\$35.00
<u>Kabuki Dancer O.S.</u>	Med, another Tompkins introduction that we finally have enough of to add to the general listing; heart shaped gold w. light hues that make it stand out in a darker corner; round, dense clump form; vigorous; good parent for gold kids.	\$25.00
<u>Key Lime Pie</u>	Lg, spreading clump with light green foliage outlined in chartreuse-gold. <u>Soft, pleasing color hues.</u> Very nice rippled edges. Prefers a bit more shade. Increases quickly.	\$12.00
<u>Komodo Dragon O.S.</u>	Very lg, deeply veined, widely <u>undulating leaf edge;</u> dark,shiny green; forming dramatic, specimen clump; strong grower	\$12.00
<u>Koriyama (Opipara) O.S.</u>	Med, spoon-shaped leaf w. bright gold border; good grower; nice presence in the garden	\$8.00
<u>Krossa Regal</u>	Lg, vasselike gray-grn. w. heavy patina; takes a good deal of sun here without complaint; another classic that has yet to be overtaken	\$6.00
<u>Krugerand</u>	Lg, upright, vasselike BRIGHT gold; one of our favorites, and one of the best golds available; hard to find; forms a commanding clump; TOP QUALITY	\$25.00
<u>Lady Godiva</u>	Med, very dark green w. pure white borders; strong grower; best in shadier site	\$8.00
<u>Lakeport Blue O.S.</u>	Lg, heavy substanced, blue w. highly corrugated leaves at maturity; Chet Tompkins used this a great deal in his hybridizing, as did his mother, who was the hybridizer (1912); avoid strong sun for best color expression. We saw L.B. at Chet's garden years ago where it was stellar. Our stock comes from him.	\$25.00
<u>Lakeside Beach Capt.</u>	Lg, heavy substanced dark blue-grn; narrow yellow center stripe; dimpled foliage at maturity; good sport of LS Shore Master, developing a large, impressive clump.	\$12.00
<u>Lakeside Cha Cha</u>	Med, gold leaf w. white border; brightly hued clump; deeply veined, widely undulating leaf edges; great contrast with blues; personal favorite	\$10.00
<u>Lakeside Dragonfly</u>	Sm, distinctive, narrow blue w. wavy white margins; great for ground cover or edging; great vigor	\$8.00
<u>Lakeside Paisley Print</u>	Med-sm, heart shaped leaves w very wavy edges and streaked-flaring white centers; <u>assuredly one of the most distinctive LS intros</u> and a great favorite. Nicely started nupot size.	\$14.00

<u>Lakeside Roy El OS</u>	Lg, round clean green foliage with gold borders that turn to light cream as the season progresses. Strong grower. Best in shadier setting.	\$10.00
<u>Lakeside Shore Master</u>	Lg, blue-grn. leaves w. dominant, deep yellow center swath; vigorous; one of the best of the Lakeside introductions. Looks good all season long	\$12.00
<u>Lakeside Surf Rider OS</u>	V-Lg, very large, dramatic blue-green; heavy substantced, heart shaped foliage; give it space; we like it	\$14.00
<u>Lakeside Un Huh</u>	Med-Lg, very hard to come by Lakeside hosta; makes a round, nicely mounded clump of blue-grn foliage; puckers nicely with maturity on round shaped leaves. (also in the trade at Lakeside Uh, Huh)	\$15.00
<u>Laura And Darrel</u>	Med, semi cupped, very rugose, heavy blue-green leaves w. wide, intense gold borders. Heavy substance. Has the BRIGHTEST GOLD EDGING we have found. A clunky name, but a CHOICE hosta.	\$15.00
<u>Leading Edge</u>	Lg, distinctive variegated form with green leaves and a creamy yellow border that often streaks down into centers. A mature clump is striking.	\$12.00
<u>Leading Lady</u>	Lg, very, very dark, shiny heart shaped green w. gold, widely undulating edges; impressive clumper, quickly forming a large clump	\$12.00
<u>Leola Fraim</u>	Lg, very vigorous, dense clump; grn. w. creamy white borders; not new and expensive, but always nice	\$8.00
<u>Lime Smoothie</u>	Med, powdery green leaves surrounded by lime border that turns yellow as season progresses. Forms a low, spreading clump	\$10.00
<u>Lollapalooza</u>	Lg, glossy dark. green. w. wide creamy yellow margins; deeply veined. Heavy substantced foliage which usually developes wavy margins at maturity.	\$12.00
<u>Love Pat</u>	Med, <u>intense blue, cupped, rugose</u> ; one of the verty best in its class; remains distintive and fine	\$8.00
<u>Lucy Vitols</u>	Med, lovely Tok. type leaf; gold center. w. blue edging; rugose; forms low, well behaved, spreading clump; a good choice for smaller planting sites as well as toward the front of a bed. Takes fairly good sun here.	\$10.00
<u>Maekawa</u>	Med, An extremely rare and unusual hypoleuca type that is nearly impossible to locate. Heavy substantced green-gray toned foliage that has loads of <u>tight crimping on leaf edges</u> at maturity. Being of hypoleuca family, the <u>backside of the leaves are powdery white</u> . We have grown it for years, but since it is a slow grower are only able to list it on occasion. We have divisions that were made two seasons ago. Expect to receive 1 leaf plants as this is the habit of the plant until settled in for a couple more seasons. In spite of this slow growth, this is a totally unique hosta that garden visitors always inquire about. Just a few plants to spare.	\$25.00
<u>Maggie May OS</u>	V.Lg. a hypoleuca kid with white undersides of foliage. Smooth green with powdery effect in early season. Given time it can readily reach 6'+ across. Give it space	\$15.00

<u>Marbled Cream</u>	Lg, rather pointed/wedge shaped shiny green foliage with yellow and cream streaks. Sometimes with a rather wide yellow swath. Good parent for variegated offspring. Strong grower	\$24.00
<u>Margies Angel</u>	Lg, dark green margins with bold yellow gold centers ; tall, upright form; develops into a show stopper clump; sport of Blue Angel; strong grower; CHOICE	\$14.00
<u>Mastadon OS</u>	VLg, BIG, BOLD, BLUE! Heavy substance, biscuit tufted; silvery patina. High shade. Finally a few available again. On our list of the best of the large real "blues". CHOICE	\$25.00
<u>Maui Buttercups O.S.</u>	Med-Sm, very compact, dimpled, round-leafed gold; choice variety; ground hugger	\$12.00
<u>May</u>	Med, gold sport of 'June' with smooth, pleasing color that holds through summer here. Good substance; compact clumper	\$8.00
<u>Mayflower Moon</u>	Lg, round, puckered, BRIGHT chartreuse-gold; rounded mound; especially nice for a darker corner to bring in some bright qualities	\$12.00
<u>Midas Touch</u>	Med-Sm, an upright bright gold that exhibits strong puckering and heavy leave substance. Strong gold color expression remains all season long here. A slower grower, but develops into a fine garden specimen. Great companion for med-sm blues, giving good contrast. Supply is limited.	\$18.00
<u>Midwest Magic</u>	Med, understated rugose gold leaf with green margins; am sun	\$8.00
<u>Mildred Seaver</u>	Med-lg, heavy green. leaf w. creamy borders; vigorous, dense clump	\$8.00
<u>Miner Forty Niner</u>	Med-lg, very pebbled foliage with good substance. Takes good sun here, producing intense gold coloration. Leaves are often rather convex in form. Strong grower. NGP introduction. See our Hosta Introductions page for pictures and more detailed description.	\$75.00
<u>Mister Twister O.S.</u>	Sm, our introduction; dk grn plastic-like contorted leaf w. pure white center swath; detailed description under NGP introductions	NA
<u>Mister Watson</u>	Med, <u>puckered gold foliage with a narrow green edging</u> . Forms a neat, compact clump. A unique expression due to its narrow edge of variegation. We like it here and finally have enough to list again.	\$12.00
<u>Montana</u>	Lg, glossy grn; pointed, deeply ribbed leaves; forms large, dramatic clumps	\$6.00
<u>Montana Aureo Marginata</u>	Very lg, beautiful, gold-bordered leaf; one of the most striking hostas to be found; EXCELLENT classic	\$12.00
<u>Montana Macrophylla O.S.</u>	HUGE, DRAMATIC tall green; leaves arch upright and then downward; great impact; give this one space	\$14.00
<u>Moonlight</u>	Med, lime-to-gold w. white border; vigorous; am sun; pleasing colors; best in shade	\$8.00
<u>Moonlily</u>	Sm, distinctly cupped gold w. spreading form; heavy subst; super distinctive; hard to find; a favorite here	\$14.00
<u>Mountain Snow</u>	Lg, long, pointed typical Montana type foliage with pure white borders	\$12.00
<u>Neat And Tidy OS</u>	Lg, dark green that is assuredly anything but 'neat or tidy'. Foliage has interesting, irregular tucks and ruffles; sometimes flat, sometimes nearly cupped. Finally enough to list this one again.	\$12.00
<u>Neptune</u>	Med, elongated, heavily ruffled blue-grn foliage; strong blue in spring; strong grower that makes an eye-catching clump; we like it	\$12.00

<u>Niagra Falls</u>	Lg, tall, stately specimen clump; deeply veined green leaves arch upward and then tip down; wavy edges;	\$14.00
<u>Nifty Fifty</u>	Lg, This is the stable margined form of 'Dorothy Benedict', with large blue leaves, with irregular gold margins, fading to creamy white in summer, cupped at maturity, It will often produce variegated kids even if it is a stable form. Finally again a few to offer--limited.	\$25.00
<u>Night Before Christmas</u>	Med, deep grn. w. pure white centers; extra showy; rapid growth	\$8.00
<u>Nigrescens</u>	Lg, tall, stately vasselike clump w. glaucous, light powdery grn. leaves; cupped and puckered at maturity; a great favorite here	\$8.00
<u>Northern Exposure</u>	Lg, vigorous blue Sieb. w. wide clean creamy white borders; popular	\$12.00
<u>Northern Halo</u>	Lg, round leafed blue w. wide white borders; spreading habit	\$10.00
<u>Northern Star</u>	Lg, puckered blue-grn. Sieb. type w. bright gold borders; makes very large Frances Williams type clump	\$12.00
<u>Old Faithful</u>	Lg, <u>upright, glossy green</u> . w. purple hued petioles; mildly fragrant bloom; strong grower, forming a large rather upright, dense clump with wide, sturdy petioles.	\$10.00
<u>Old Glory</u>	Lg, bright heart shaped gold; streaked drk. grn. edges; <u>takes good sun here</u> ; mounded clump, always showy; we like it	\$8.00
<u>Olive Bailey Langdon</u>	Lg, choice Frances Williams type, but taking much more sun; heavy subst, round, corrugated foliage with wide gold borders	\$12.00
<u>On The Border</u>	Med, widely lanced, deep green, shiny leaves w. yellow edges turning cream/white	\$8.00
<u>One Last Dance</u>	Lg, it would take a lot to equal the quality of the renowned Dancing Queen, but this sport has proven equal to the task. The same clump form with the same nicely rippled edges, O.L.D. sports a dark green center that feathers out into a wide gold margin that morphs into more of a cream tone in mid summer. A strong grower that forms a bit larger clump than D.Q. <u>This new one is exceptionally fine.</u>	\$14.00
<u>Packer Backer OS</u>	Lg, our intro, a choice sport of Abiqua Recluse; rugose blue-grn centers w wide strong gold borders ; super hosta (super team); a few to let go; see NGP introductions page for pics and more info.	\$50.00
<u>Paradigm</u>	Med-lg, leaf centers turn <u>intense gold</u> w. blue borders; round, heavily dimpled foliage; contrasty colors	\$12.00
<u>Paradise Joyce</u>	Med-Sm, a unique changling with the leaves emerging solid blue in spring and gradually developing chartreuse to yellow centers which brighten to ivory/	\$10.00
<u>Parhelion</u>	Huge, 'Sum And Substance' sport; green-gold. w. clean, white borders; distinctive from most other S&S sports	\$14.00
<u>Patriot</u>	Med, glossy, waxy drk. grn. w. wide, irreg. pure white margins; compact clump; strong grower	\$8.00
<u>Pauls Glory</u>	Lg, highly acclaimed, gold-cntrd leaf; dimpled w/blue border; strong color expression	\$10.00
<u>Paul's Glory</u>	Med-Lg, large, bright gold centers with intense green-blue margins; rugose at maturity; strong grower. This one is on our top list of most sun tolerant	\$10.00
<u>Permanent Wave O.S.</u>	Med-Sm, solid, glossy green; upright form with very wavy edges; vigorous	\$10.00
<u>Pewterware</u>	Med-sm, intense silvery blue; wavy edges; very nice	\$10.00

<u>Piedmont Gold</u>	Lg, classy light creamy gold; commanding clump; pm shade; it's been around for years, but still holds its own	\$10.00
<u>Pilgrim</u>	Med-sm, heavy subst; cream edge; dense,fast growing clumper; showy purple bloom	\$8.00
<u>Pioneer (Tompkins) O.S.</u>	Lg, deeply veined montana leaf w. piecrust edging; rather spreading clumper; dark green; specimen w. strong breeding potential. A hard to find classic hybridized by Cynthia Tompkins in 1912. Our source was from her son, Chet.	\$15.00
<u>Pizzazz</u>	Med, frosty blue with white, wavy edges; compact and showy	\$8.00
<u>Pleasure Seeker O.S.</u>	Med-lg, our introduction; <u>steely blue, deeply veined, undulating edges</u> , twist at end of elongated foliage; strong grower so it can be sited in deeper shade for best color where it will maintain a frosty expression; see description/pictures under NGP introductions	\$30.00
<u>Powder Blue</u>	VLg, upright, strong <u>powdery blue patina; dimpled, heavy subst. foliage</u> ; favorite large blue here; even a single fan is distinctive. <u>CHOICE!</u>	\$14.00
<u>Prairie Sky</u>	Med-sm, tight clump of very powdery blue; mildly cupped leaves of heavy substance. Very nice expression.	\$12.00
<u>Praying Hands</u>	Sm, absolutely unique, narrow, vertical leaves; fine gold edges; heavy substance; forming upright expression; totally distinctive--nothing comes close to this expression	\$10.00
<u>Queen Josephine</u>	Med-Sm, glossy shiny dark green with strong gold borders. Neat, compact dense clump; Strong grower. We have grown and appreciated it since its introduction.	\$8.00
<u>Queen Of The Seas</u>	Lg, very rugose, powdery blue with piecrust edging; choice specimen heavy subst; for best color avoid stronger sun settings.	\$12.00
<u>Rabble Rouser</u>	Lg, pebbled foliage of heavy substance, forming a dense, controlled mound; consistent wide gold border on leaves. 2020 NGP introduction. See our Hosta Introductions page for picture and more detailed description.	\$75.00
<u>Rags To Riches</u>	Med-Sm, gold-chartreuse in early spring, then quickly turning bright gold ; neat, compact clump, making great contrast with blues; a Glad Rags kid. Pictures and description under NGP introductions.	\$50.00
<u>Rain Dancer</u>	Lg, upright mound; wide, glossy, yellow bordered sport of Blue Umbrellas. Even a young plant draws attention.	\$14.00
<u>Rainforest Sunrise</u>	Sm, golden-chart centers w. drk grn edges; very nice	\$10.00
<u>Rascal</u>	Lg, vasselike gold w. narrow green border; am sun; distinctive sport of Gold Regal	\$10.00
<u>Rebel Heart</u>	Med, blue-grn turning dark green; cream borders on heavy substed foliage; vigorous	\$10.00
<u>Refiner's Fire</u>	Lg, our introduction from Burnished Brass; bold, splash centers start chartreuse and then turn brassy gold; irregular green borders streak down into the centers of the leaves ; choice cultivar that is a real standout in the gardensee pics and further into on NGP intro page; you will not be disappointed!	\$100.00
<u>Reflected Glory</u>	Lg, rather powdery green leaves with broad cream borders. Becomes quite rugose with age. Forms a spreading, rather upright clump. We have grown it for years and always enjoyed its presence here.	\$18.00

<u>Regal Rhubarb O.S.</u>	Med, dark green with rubard red petioles at base of clump; boat shaped leaves; upright vasselike clump	\$10.00
<u>Regal Splendor</u>	Lg, 'Krossa Regal' w. creamy-gold border; takes strong sun here; an exemplary sport of an exemplary classic;choice	\$10.00
<u>Regalia</u>	L, upright vasselike choice sport of Krossa Regal. Wavy green leaves with <u>marbled lime centers</u> . Distinctive hosta that holds its unique color through the season. Hard to come by.	\$15.00
<u>Reptillian</u>	Med, metallic blue with heavy substance and undulating edges; rugose at maturity; distinctive expression that absolutely stands out! Super companion for medium to small size golds.	\$12.00
<u>Rhinestone Cowboy</u>	Med-lg, limey grn w. wide, creamy white borders; heavy subst.	\$14.00
<u>Rhino Hide</u>	Med, round, corrugated,cupped blue w. narrow yellow centers; extreme substance; compact growth; nice color tones. CHOICE (The major tc provider of R.H. is unfortunately no longer providing this hosta for some reason.) What we have available are lined single divisions from 3-year old clumps.	\$18.00
<u>Rich Uncle</u>	Lg, lightly cupped gold of heavy substance; rugose, forming mounded clump	\$12.00
<u>Richland Gold</u>	Lg, lime-gold becoming cream; soft hues; am sun; very nice tucked in next to medium sized blues	\$8.00
<u>Robert Frost</u>	Lg, upright powdery blue-green with wide cream borders; nicely mounded clumper; <u>it should be in every collection</u> ; one of Lachman's best; shady settings; one of those hostas you can identify among the crowd	\$12.00
<u>Rock of Gibraltar</u>	Med-Lg, pebbled, milky gray-green with very heavy substance	\$10.00
<u>Rocket's Red Glare</u>	Med, glossy, shiny green w. wavy edges; red petioles w. color running up into the midribs;	\$10.00
<u>Rosedale Golden Goose</u>	Med, pebbled chartreuse turning to bright yellow mound; well behaved clump	\$12.00
<u>Rough Knight</u>	Lg, moderately <u>cupped blue-green of heavy substance and shiny expression</u> . Leaf surface covered with puckers. <u>The distinct sheen is especially nice</u> . Site in an area with a bit more shade. A newer hosta that is recognizable among the crowd.	\$14.00
<u>Royal Tapestry</u>	Med, ovate green leaves with clean chartreuse borders and impressed veining. Nice powdery expression on leaf surfaces. Tends to have a spreading effect rather than totally upright growth. A hard cultivar to find for some reason.	\$10.00
<u>Royal Wedding</u>	Med-Lg, shiny green leaves w. clean, creamy white borders; large, FRAGRANT, white summer bloom; newer and very nice	\$12.00
<u>Ryans Big One O.S.</u>	Lg, heavily puckered, round blue-green forming very large clump; best in pm shade	\$12.00
<u>Sagae</u>	Lg, REGAL vasselike clump; wide, creamy border; am sun; simply one of the very best!!	\$10.00
<u>Samurai</u>	Lg, heavy, round blue-grn w. wide deep gold borders; very showy clump; pm shade	\$14.00
<u>Satin Beauty O.S.</u>	VLg, heavy substanced, lustrous, glossy chartreuse; rapid growth; distinctive shimmering clump	\$10.00
<u>Satisfaction</u>	Lg, exemplary sport of Piedmont Gold; green. leaf w.very wide gold border; good grower; CHOICE	\$12.00

<u>Savannah</u>	Lg, green mottling, white edging; late, fragrant bloom; extreme vigor and takes heavy shade	\$6.00
<u>Sea Dream</u>	Med, soft golden chartreuse w. narrow precise yellow borders; glowing focal point in shade	\$8.00
<u>Sea Gold Star</u>	Med-Lg, Large bright gold, smooth textured, heavily veined leaves forming a semi-upright mound; becomes nicely puckered with age. One of Mildres Seaver's golds that has become difficult to find of late. Limited Supply	\$10.00
<u>Sea Thunder</u>	Med, elongated, shiny foliage with glistening, pure white leaf centers and dark green margins	\$10.00
<u>Seargent Pepper OS</u>	Med, heart shaped foliage with wavy edging and puckering at maturity. Broad, showy chartreuse-yellow borders with light green center swath. Very distinctive and in a class of its own. Personal favorite. Hard to find.	\$25.00
<u>Seducer</u>	Lg, bold dark green leaves with strong yellow-gold margins. Mildly undulating edges. Usually with a distinctive fine white line between centers and margins. Makes a commanding clump. Nice 2-year old plants	\$14.00
<u>September Sun</u>	Med-lg, sun-loving, gold centered leaf w. dark grn. margins	\$8.00
<u>Shade Fanfare</u>	Med-lg, ventricular leaf w. cream margins; <u>takes good sun here; a classic that holds its own in any competition</u>	\$8.00
<u>Shades Of Green</u>	Lg, very glossy green foliage coming to a sharp tip. Wide cream-turning-white borders streak down into green centers, producing varying tones of green expression as they converge. NGP introduction.	\$50.00
<u>Sharmon OS</u>	Med, dense clump; <u>heavily streaked/marbled w. white/cream; wild spring expression</u>	\$8.00
<u>Sheer Bliss</u>	Med-Sm, spreading, dense, compact clump of chartreuse green with creamy gold borders on round foliage. A Tompkins introduction that he wanted to have listed before his passing.	\$15.00
<u>Shirley Vaughn</u>	Med-Lg, glossy, very dark moss green w. glossy leaf surface; creamy borders that turn white	\$8.00
<u>Silk Komono</u>	Lg, elongated, wavy edged leaf w. wide, cream-turning-to-white borders; a mature clump is a knockout; a personal favorite; CHOICE	\$12.00
<u>Silver Bay</u>	Med, intense, silvery blue; round, rugose, heavy substanced leaves; forms flat, dense mound; great color; another FINE newer Midwest blue	\$12.00
<u>Silver Bowl O.S.</u>	Lg, round, rugose, sieboldiana type with intense silvery blue patina; strong grower, cupped form, forming rounded mound	\$14.00
<u>Silver Giant O.S.</u>	Very lg, bold, stately Sieboldiana type; large, puckered, silvery blue leaves of heavy subst ; a hard to come by garden specimen of great merit	\$20.00
<u>Snow Crust</u>	Lg, pointed leaf; dark green w. pure white borders; showy, vigorous	\$8.00
<u>So Sweet</u>	Med, clean green with light cream-white borders. Strong grower that makes a very compact, well behaved clump. Don't order it for sweet fragrance as we find none, no matter how many times we sniff it. But do consider it for a meritorious hosta in other regards.	\$8.00

<u>Sparkling Burgundy O.S.</u>	Sm, deep grn., glossy leaf w. bright shower of purple bloom; rapid growth on compact clump	\$8.00
<u>Spartan Glory</u>	Lg, heavy subenced, deeply veined green leaves with creamy white margins; spreading habit; strong grower. This one always looks nice. Personal favorite. Finally enough to list again.	\$12.00
<u>Spinach Patch O.S.</u>	Med, compact, clean green w. round, very rugose leaves; dense clumps	\$8.00
<u>Spotlight O.S.</u>	Lg, elongated bright gold leaf; vasselike clump; shining, glossy effect	\$10.00
<u>Spring Fling</u>	Lg, broad dark grn leaves with creamy white borders. <u>DISTINCTIVE heavily rippled undulating edges.</u> We finally have enough again to list. CHOICE	\$14.00
<u>Squash Casserole</u>	Lg, emerges with chartreuse expression that turns yellow as season progresses. Soft, pleasing color hues. Puckering with very rippled edges	\$10.00
<u>Squire Rich O.S.</u>	Med-sm, rapid border type gold; ventricular; compact clump; shower of lavender bloom	\$8.00
<u>St Paul</u>	Lg, bright gold w. wide blue-green margins; sharp sport of 'Pauls Glory'; good grower	\$10.00
<u>Stained Glass</u>	Med, shimmering, glossy gold w. green edging; mounded, compact clumper; fragrant; an ugly duckling in spring that becomes a bright show point as the season warms; at its best in summer's heat; choice	\$10.00
<u>Standing Room Only OS</u>	VLg, reciprocal sibling to Jurassic Park; grows to 6' across with very tightly packed foliage; heavy substance; highly rugose, unruly leaf form; see NGP introductions page for pics and more info	\$50.00
<u>Streets Of Gold O.S.</u>	Lg, our intro; rather round intense gold leaves; mounded clump; puckers nicely; pictures and description under NGP introductions	\$50.00
<u>Striptease O.S.</u>	Med-lg, grn. w. ivory center; choice; mature divisions; quickly became a classic	\$10.00
<u>Sugar And Cream</u>	Lg, semi-cascading apple green with wavy white edges. Sport of Honeybells; fragrant bloom. Rock hardy.	\$6.00
<u>Sugar And Spice</u>	Med, 'Invincible' w. cream borders; <u>glossy foliage;</u> compact clump; this is a nice one! Best in a bit more shade.	\$8.00
<u>Sum And Substance</u>	HUGE, golden chart; heavy, shiny leaves; am sun; specimen, classic	\$10.00
<u>Sum It Up</u>	HUGE, 'Sum & Sub.' sport w. precise gold margins; upright form w. more chartreuse tones than parent; tall and a strong grower	\$10.00
<u>Sum Of All</u>	VLg, sport of 'Sum And Sub.' with very wide creamy gold borders; more spreading form than parent	\$14.00
<u>Summa Cum Laude o.s..</u>	VLg, our introduction; deeply veined w. creamy gold borders; round, reflexed leaves; while most S&S sports take time to color uip, S.C.L.shows border color instantly; picture and description under NGP introductions	\$50.00
<u>Summer Breeze</u>	Med, dark green leaves with very wide gold borders. <i>Compact clump with very nice visual appeal.</i> Finally enough to list again. Choice and a personal favorite.	\$12.00
<u>Summer Fragrance</u>	Lg, medium green with cream-white edging. Light lavender blooms that do have some fragrance here. Finally some to list again after voles nearly wiped out a large planting area.	\$8.00

<u>Summer Squall</u>	Med-sm, heavy substed blue with silvery patina; a rather arrowhead type of leaf form. Best in shadier site. EXCELLENT COLOR	\$10.00
<u>Sun Power</u>	Lg, brilliant gold; Montana type leaf; the best in its class by far; semi spreading form with wide undulations; THE classic gold	\$10.00
<u>Sun's Glory O.S.</u>	Lg, upright, cupped, rugose, heavy substed gold; vaselike form; puckers nicely at maturity; give some morning sun for best color; favorite here	\$10.00
<u>Sunny Disposition</u>	Med-Sm, sun tolerant, vigorous; turns INTENSE gold w. bright purple bloom; very contrasty; totally under rated	\$10.00
<u>Sunny Smiles O.S.</u>	Med-lg, round, chart. w. cream borders; compact, takes sun; sibling to Shade Fanfare, but with broader leaves	\$14.00
<u>Sunshine Glory</u>	Lg, heavily corrugated cream chart. w. wide gold margins; some a.m. sun for best color	\$12.00
<u>Superbowl</u>	Med, tok. type; heavily cupped, puckered, gold; excellent; aptly termed a golden Love Pat. Hard to find; CHOICE; a.m. sun	\$20.00
<u>Sutter's Mill</u>	Med, puckered, very rugose fast growing gold with intense color	\$12.00
<u>Sweet Sunshine</u>	Lg, glossy, shining gold; pebbly, cupped foliage; mound shape; fragrant bloom; personal favorite	\$12.00
<u>Tamborine O.S.</u>	Med, frosted green rather arrow head shaped leaf edged in cream; good substance; compact clump; vigorous	\$10.00
<u>Tea Ceremony OS</u>	M, Steve Moldovan is best known for his hundreds of daylily introductions, but he also worked on the side with hybridizing hostas. We obtained TEA CEREMONY from him years ago and have enjoyed it thoroughly due to its distinctive nature. We finally have enough stock to offer it again. T.C. has heavy substed blue-silver foliage with powdery overlay. Rather heartshaped leaves becomes semi cupped with maturity. Distinctive and appreciated here.	\$25.00
<u>Temple Bells O.S.</u>	Sm, Intense, vigorous dark green clump; absolutely <u>worth having for</u> the airy BRIGHT PURPLE BLOOM. We will always keep for the bloom alone. No other hosta bloom quite like this.	\$10.00
<u>Tenryu</u>	Lg, upright, powdery blue-grn; heavy subst. vaselike clump; the vaselike form is especially strong on a younger plant; distinctive presentation	\$8.00
<u>The Razer's Edge</u>	Sm, narrow grn. leaves w. rippled edges; RED petioles; <u>heavy shower of lavender bloom</u> ; very strong grower; novel	\$8.00
<u>Thunderbolt</u>	Lg, round blue leaves with a gold-to-cream center swath. Nice, powdery patina. Foliage becomes quite dimpled with age. Color expression is very appealing. Finally enough to list again. A personal favorite here. Limited supply.	\$15.00
<u>Tiffany Tune O.S.</u>	Med-sm, our introduction; <u>glossy, shimmering gold-to-chart; deep purple bloom</u> ; we grow it as a companion for Maiden Hair Fern, which makes a very pleasing effect; pictures and description under NGP hosta introductions	\$35.00
<u>Titanic</u>	V-Lg very large hosta featuring green leaves with wide chartreuse margins that become gold as the season progresses. A sport of SUM AND SUBSTANCE with heavy substance. Chartreuse-gold borders are wider than other S.A.S. sports.	\$15.00

<u>Torchlight</u>	Med, upright, glossy grn. w. showy white edge; purple bloom; does well even in heavy shade	\$8.00
<u>Touch Of Class</u>	Sm, heavy subst, intense blue w. bright gold center stripe ; good contrasty color expression; sport of HALCYON; established clump is choice	\$10.00
<u>True Blue</u>	Lg, strong silvery patina ; heavy subst; rather elongated, pointed leaf; a "different" type of Sieboldiana expression; distinctive; strong grower; rugose with maturity	\$12.00
<u>Uguis OS</u>	Med-sm, pointed viridescent foliage, emerges a ghostly cream and slowly turns to a milky blue-green . A strikingly novel expression.	\$10.00
<u>Ultramarine</u>	Med, taller clump of long, deeply veined, pointed, lanceolate, heavy, deep blue leaves	\$10.00
<u>Ulysses S. Grant</u>	Lg, rather wedge shaped blue-green leaf w. undulating edges; puckers w. age	\$10.00
<u>Unchained Melody</u>	VLg, shiny leaves; heavy subst; dominant yellow borders; strong grower; Forms a very large, spreading clump quickly. Personal Favorite; Big and very showy	\$12.00
<u>Unforgettable</u>	Med, round, green. w. wide yellow border; good grower; dense clump. Becomes rugose/dimpled with maturity, making good impact.	\$10.00
<u>Vanilla Cream</u>	Sm, <u>neat, compact clump of rather spoon shaped foliage</u> . Soft cream to gold-chartreuse tones. Super companion for blue hostas. We aren't totally keen on on small hostas, but this is one of the smaller ones that is choice .	\$8.00
<u>Versailles Blue OS</u>	Lg, full, rounded mound of dimpled blue foliage. Hybridized by Cynthia Tompkins (Chet Tomopkins mother) around 1920. Still holds its own with new introductions. A really fine hosta with a lot of history behind it.	\$50.00
<u>Victory</u>	V.Lg, spectacular gold edged form of Nigrescens Elatior; SUPERIOR!!! Even a single plant makes a statement	\$12.00
<u>Vulcan</u>	Med-Sm, very snappy sport of 'Captain Kirk' with PURE WHITE CENTERS and strong green borders. We have relegated hostas like 'Hans', 'Eskimo Pie' and 'Andrew' to the compost pile as they are very tenuous and disappointing. 'VULCAN' beats them all, forming a bright, dense clump of highly contrasty foliage. Vigorous.	\$14.00
<u>Warwick Choice</u>	Med, lt. grn. glossy, heart-shaped leaf w. white borders; spreading form	\$10.00
<u>Waterslide</u>	Med, extremely wavy, ruffled blue foliage with heavy substance . This new introduction produces a totally striking presentation as it matures. Nothing else quite like it	\$15.00
<u>Wave Runner</u>	Med, soft chartreuse w. wide, <u>very wavy borders</u> ; strong grower, forming dense clump; best expression with dappled shade	\$12.00
<u>Whee</u>	Med-Sm, Extremely ruffled, cream colored margins extend from the tip of each green leaf all the way down the petiole to the crown. Upright presentation, strong grower and entirely unique	\$15.00
<u>Whirlwind O.S.</u>	Med, very dense, compact clump; white stippled centers with good contrast to shiny, deep green foliage; makes a tight, eye-catching clump	\$10.00

<u>Wide Brim</u>	Med-Sm this is one of those classics that has withstood the test of time. Neat, compact clump of dark green foliage and creamy yellow borders. Round leaves. Continues to deserve a place in any garden setting.	\$8.00
<u>Wind Beneath My Wings</u>	V.Lg, spreading habit of elongated rather heart-shaped, powdery blue leaves. Broadly ruffled, nearly piecrust edges. One of the very best of the newest "real" blues. Yearling plants available	\$16.00
<u>Winfield Gold</u>	Lg, vigorous, shadowed gold w. deeply veined, elongated leaves; another of the golds that is unfortunately often overlooked	\$10.00
<u>Wings To Fly OS</u>	Med-Sm, spring expression smooth very pale cream; slowly turns to chartreuse ; usually with vestigial leaves on bloom nodding scapes; strong spray of light, lav-pink bloom	\$30.00
<u>Wintergreen</u>	Med, rich, clean grn; <u>pure white margins</u> ; strong color contrast, making a good focal point	\$10.00
<u>Wishing Well</u>	Med-Lg, very nice blue with good silvery patina. Heavy substance and nice puckering at maturity. Compact format. Best color with a bit more shade.	\$10.00
<u>Wolverine</u>	Med-Sm, long, pointed blue leaf w. gold borders; vigorous, open formed clump	\$8.00
<u>World Cup</u>	Med, hard to say enough good about this great gold! Foliage is <u>distinctly cupped and held aloft by petioles in a vase-like form</u> . Heavy substance; dimpled at maturity. Just always looks great! Finally enough to list again.	\$18.00
<u>Wu La La</u>	Extra Lg, the new and highly sought after edged sport of 'Empress Wu'. Huge, blue-green leaves with distinctive apple green margins. Give it lots of space. 2-year old plants	\$16.00
<u>Wylde Green Cream</u>	Sm, best described as 'Vanilla Cream' with a nice green edge; sharp	\$10.00
<u>Yellow River</u>	Lg, intense, elongated, pointed blue-grn. w. bright gold borders; p.m. shade; no fuss hosta that forms a well behaved clump and is as care free as they come	\$10.00
<u>Yellow Splash Rim</u>	Sm, glossy lanceolate foliage with bright gold borders . Its shiny green background makes for a good contrast with the gold edgings. Mildly stoloniferous. We have grown it for 20+ years and would not want to be without it.	\$6.00
