

# Northern Grown Perennials--Hosta Listing 2025

<u>Plant Name</u>	<u>Description</u>	<u>Price</u>
<u>A Passion For Purple OS</u>	Med, strong growing green lanceolate foliage covered at bloom time with a BOLD SHOWER OF PURPLE BLOOM--hard to miss. Red hued petioles and then deep purple, near black seed pods. An unusual novelty that we enjoy. Plant this one in stronger sun for best bloom and pod color. See our NGP introductions for pictures and full description.	\$30.00
<u>A Step Beyond</u>	Lg, Forms a rounded mound of round, heavy subenced foliage. Leaf centers are a deep powdery blue-green with a patina that holds well into the season. <b>Round leaves are bordered in chartreuse gold which turns to deep gold</b> as the season progresses. A distinctive expression both in deeper shade or with good early morning sun. See picture and more lengthy description under NGP introductions.	\$50.00
<u>Abba Dabba Do</u>	Lg, upright powdery blue-grn. w. gold border; vigorous, prospering even in deeper shade; plant in a place where it can spread as it will spread to form a grand clump reaching up to 5' across. Makes a great companion when planted with clumps of NIGRESCENS.	\$10.00
<u>Abby</u>	Sm, heart-shaped green leaf w. gold edge; neat, tidy mound; nice all season; vigorous	\$8.00
<u>Abiqua Drinking Gourd</u>	Med-lg, VERY CUPPED, puckered deep blue; distinctive as a single or in an established clump; an apt name for this totally distinctive cultivar. We saw it as an unintroduced seedling in Charlie Purdymun's garden--were impressed then and still are now. Super companion for golds. Absolutely THE best of type; ADG deserves a place in every hosta planting!	\$10.00
<u>Abiqua Elephant Ears</u>	VLg, we saw this Abiqua introduction as a seedling in Charlie's garden and thought it aptly named. Very large leaves have the shape on an elephant's ears. Medium green. Forms massive, impressive clump. Very hard to find. Best to avoid deep shade for optimum growth.	\$25.00
<u>Abiqua Moonbeam O.S.</u>	Lg, intense grn. w. wide lime-to-gold border; vigorous, showy sport of August Moon that forms a dense clump; am sun.	\$10.00
<u>Abiqua Recluse O.S.</u>	Med-Lg, top quality, round, very puckered foliage of strong substance, <b>bright gold</b> ; great color; likes am sun; a personal favorite here; one of Purdymun's best intros. <b>CHOICE</b>	\$15.00
<u>Alex Summers</u>	Lg, EXCELLENT, distinctive, upright gold leaves w. blue-grn; bold, sport of Gold Regal. Intense gold margins.	\$10.00
<u>All That Jazz</u>	Lg, tall, rather oval shaped leaf w. clean yellow borders; forms an impressive, spreading clump; glossy, shining foliage; always looks nice. A good grower, making a strong statement.	\$18.00
<u>Allen P. Haskell OS</u>	Med, milky green heavily streaked w. cream and white; rapid grower; have used A.P.H. successfully to produce variegated kids	\$25.00
<u>Alliteration O.S.</u>	Lg, our introduction; <b>wild multi colored/splotched</b> Cynthia offspring; spring expression is especially wild with no two leaves having the same appearance; see description under NGP introductions	\$50.00

<u>Alvatine Taylor</u>	Lg, powdery blue-grn w. gold border; heavy substance; takes more sun than others of type; a Minks intro that is vastly under-utilized	\$10.00
<u>American Dream</u>	M-L, mound of chartreuse leaves that age to a golden yellow with wide white margins; lightly rippled edging	\$10.00
<u>American Halo</u>	Lg, rugose round Sieb type w. wide, showy clean white borders; best in shade	\$10.00
<u>American Hero</u>	Sm, heavy subtanced <b>shiny deep green with twisted, unruly foliage with white centers.</b> Especially showy early in season, but the white prevails through the season. Extra nice	\$20.00
<u>American Icon</u>	Lg, elongated, rippled edges; wide, creamy gold borders; controlled clumper that takes a fair amount of sun here.	\$10.00
<u>American Sweetheart</u>	Med, upright clump; shining green leaf w. bold white center swath; distinctive; best in semi shade and a fine contrasting companion plant for more spreading cultivars.	\$10.00
<u>Aqua Velva</u>	Lg, distinctive blue-green with rather elongated shade shaped leaves. Widely undulating edges. Both the color and leaf shape/surface are distinctive. One of Vaughn's finest introductions	\$15.00
<u>Arc de Triomphe</u>	Lg, dark grn. w. creamy yellow margins; prominent veining; widely undulating edges, forming distinctive clump w longer, rather tapering, pointed leaves	\$15.00
<u>Arctic Circle</u>	Med, dense mound of matte green with creamy gold borders on semi elongated foliage. NOVEL SPRING EXPRESSION of cream flecking over the surface of the leaves. This introduction of Chet Tompkins is strong in CYNTHIA breeding and does well under a range of light situations. Finally enough to place on the general listing.	\$15.00
<u>As You Like It OS</u>	Med-Lg, <b>shimmering early season chartreuse foliage that changes first to cream with green tips and ultimately to smooth, glowing cream hues with glossy expression.</b> A really nice "changling" that we have been very pleased with. Avoid strong sun. Dappled shade for best expression. We haven't seen anything else quite like it. See pics and full description on our NGP Hosta introduction page.	\$50.00
<u>Aspen Gold</u>	Med, very cupped and <b>puckered w. heavy substance; color expression a unique, milky chartreuse gold;</b> great companion for Ab. Drinking Gourd, Love Pat, Midas Touch and Superbowl; pm shade	\$15.00
<u>August Moon</u>	Lg, chartreuse gold; vigorous; sun or shade; worthy classic that readily stands the test of time	\$10.00
<u>Autumn Frost</u>	Med, new sport stemming back to its heritage of 'Halcyon', this cultivar boasts very heavy substance on foliage with dark green-blue centers and bright yellow-gold margins. Forms a clump that demands attention. Assuredly one of the finest of Halcyon sports.	\$18.00
<u>Aztec Treasure</u>	Med, forms controlled, dense clump with strong gold expression that maintains throughout the season.	\$15.00
<u>Benediction O.S.</u>	Lg, our intro; softly glowing, embriated gold leaves; deeply impressed veining. A good grower, forming ultimately a 4' clump. Perfect for a more shady setting where the soft gold glow readily expresses interest. See description under NGP introductions	\$40.00

<u>Beyond Glory</u>	Lg, this sport of Old Glory goes a step beyond with even wider margins and more contract. Clean gold centers with dark green-blue borders. Same very pleasing, rounded mound effect at O.G. Very strong grower. <b>CHOICE</b> . Quickly forming a large, dense clump.	\$15.00
<u>Big Daddy</u>	Med-Lg, heavy subenced blue leaf; semi cupped and puckered; strong, deep blue expression. CHOICE favorite here in a more compact clump that is well behaved	\$12.00
<u>Big Foot</u>	VLg mound of blue-green foliage; strong grower	\$12.00
<u>Big John OS</u>	Extra Lg, Impressive dark gray-green foliage that dimples with maturity. Leaves arch upward and then tip gently downward. Well grown, this big boy makes a commanding clump. At its best in dappled shade.	\$20.00
<u>Big Mama</u>	Lg, spreading, low mound of puckered, blue-grn. foliage; way too little utilized; vigorous grower	\$10.00
<u>Big Top</u>	VLg, upright clumper; very round, unruly, distinctive medium green leaf; heavy subst; corrugated, vigorous	\$10.00
<u>Biggie</u>	V-Lg, rugose, dark green with heavy substance; strong grower even in deep shade	\$8.00
<u>Birchwood Parky's Gold OS</u>	Med, smaller, light, even gold that seems to perform readily wherever it is planted. Good grower. Rock hardy. No fireworks needed here--just a nice garden hosta that has earned it place in the ranks.	\$8.00
<u>Black Hills OS</u>	Lg, <b>semi-cupped, heavily puckered, very dark grn</b> ; forms tight clump; one of the best Savory introductions; very contrasty w variegated neighbors; best in shady setting	\$12.00
<u>Black Jack OS</u>	VLg, <b>striking mound of corrugated/pebbled dark blue-green foliage</b> . Heavy substance; more blue in spring and dark green toward end of season. Foliage is often reflexed in form. Leaves tend to be quite round in form.	\$20.00
<u>Blue Angel</u>	VLg, This is a rapid growing, spreading blue-green with pointed foliage. Not fussy, it seems to do well here in both sun and shade. Give it space as it becomes large quite quickly.	\$10.00
<u>Blue Arrow</u>	Med, blue w. semi-erect habit; pointed leaves with undulating edges at maturity; heavy substance; distinctive	\$10.00
<u>Blue Betty Lou</u>	Lg, vigorous; round, rugose leaves; good color, substance	\$12.00
<u>Blue Blazes</u>	Lg, heavily puckered powder blue; rapid Sieboldiana type	\$12.00
<u>Blue Danube</u>	Med, Compact blue clumper with rounded heavy subenced leaves. Very nice color expression. Best color expression in a more shady setting. Finally have some nice plants to list again this year.	\$10.00
<u>Blue Hawaii</u>	Med-Lg, heavy subenced deep blue leaf with nice <u>silvery patina</u> ; puckers with maturity.	\$12.00
<u>Blue Mammoth</u>	VLg, distinctive clump; rather elongated leaves w. prominent veining; <u>powder silver patina</u> ; specimen that speaks for itself as it creates a real "presence" in any planting	\$14.00
<u>Blue Splendor</u>	Med-lg, <b>EXTREMELY BLUE, cupped, puckered, heavy subst</b> ; TOPS. Makes a good companion for a gold.	\$14.00
<u>Blue Umbrellas</u>	HUGE, tall, mound w. deeply impressed veining on shimmering, round leaves; another of the classics that deserves a place in every garden; avoid strong sun for best expression;	\$10.00

<u>Blue Vision</u>	Lg, dense well behaved clump w. intense, deep, powdery blue puckered leaves; heavy substance and a super companion for golds	\$12.00
<u>Blue Wedgwood</u>	Med-sm, fine tardiana w. very heavy substance; good color. This is another one of the deserving hostas that has been somewhat shoved aside for newer but often less deserving introductions.	\$10.00
<u>Borwick Beauty</u>	Med-lg, Sieb. type w. blue border and gold centers; lovely in dappled shade. <u>Hard to find.</u>	\$30.00
<u>Bottom Line</u>	VLg, Sum And Subsance sport w. a gold border; very heavy substance on somewhat elongated foliage; strong grower; takes good sun here	\$12.00
<u>Bridegroom</u>	Med, heart shaped, curly tipped, shining green foliage; extreme vigor; a strong shower of purple bloom	\$8.00
<u>Bright Lights</u>	Med, heavy substed gold w. blue border; takes good sun; choice even as a single; if you find it difficult to grow Tokudama Aureo Nebulosa, this one is a good substitute. Heavy substance; good color. Vastly under rated! favorite here	\$15.00
<u>Brother Stefan</u>	Lg, blue-grn. w. BRIGHT GOLD centers; good grower; takes lots of sun here; CHOICE and justifiably popular	\$15.00
<u>Bumblebee</u>	Med, fast growing, smooth, bright yellow, forming dense, compact clumps; contrasty with blues	\$12.00
<b><u>Cair Paravel O.S.</u></b>	Lg, our introduction; <u>wavy edged gold-chartreuse.</u> Forms a spreading mound. Wavy edging becomes dominant as clump matures. Description and picture under NGP introductions	\$35.00
<u>Captain Kirk</u>	Med, large gold swath center w. green borders; great vigor; forming dense clumps. A very neat, very balanced no fuss hosta that has become more and more popular.	\$10.00
<u>Cassandra</u>	Sm, Vigorous, creamy chartreuse of soft hue. Quickly forming a neat clump. Nice lavender bloom. A vole invasion nearly wiped out out stock, but we have some nice plants again to offer.	\$12.00
<u>Celestial</u>	Lg, heavy dark green w. wide, irregular creamy white borders; feathered green tones; dense clump	\$12.00
<u>Cerulean Magic</u>	Med, ovate blue leaf of heavy substance; nice glaucous bloom on both tops and understides of foliage. Makes a contrasty companion to golds. Planted next to Streets Of Gold here, making a good show.	\$10.00
<b><u>Change Of Venue</u></b>	Lg, blue-green foliage that is puckered and dimpled at maturity. Heart shaped leaves. <u>As the season progresses the foliage develops about an inch deep border of chartreuse or sometimes olive tones.</u> Good grower. NGP introduction with picture and more details on our introductions page	\$50.00
<u>Christmas Tree</u>	Lg, lovely, mounded clump; round, puckered, gold edged, deep green leaf; not brand new and not expensive, but very worthy	\$10.00
<u>Clausa</u>	Med-sm, straplike, dark grn; bold, deep red-purple buds; spreads by stolons. Good supply so we send multiples	\$6.00
<u>Clear Fork River Valley</u>	Lg, Dark blue green leaves are heavily corrugated and puckered. <b>The extremely thick leaves are unruly and cup upwards and downwards. Likely the most rugose hosta we have grown.</b> Finally a few plants to offer again this season.	\$18.00
<u>Climax</u>	Lg, rugose green. w. wide gold borders; tall and stately; choice specimen, personal favorite	\$15.00

<u>Cloudburst</u>	Med-lg, heavy substanced, unrully blue-green that turns shining green as season progresses. Tight, round mound form with round leaves.	\$12.00
<u>Coast To Coast</u>	V-Lg, solid, wedge shaped gold leaves w. <u>contrasty lavender bloom</u> ; heavy substance; puckers heavily w. age; a new one that makes a dramatic statement quickly. Grows quickly, making a commanding clump; one of the best of the newer golds	\$15.00
<u>Color Glory</u>	Lg, round, Sieboldiana type leaf w. blue-grn edges and gold centers; heavy substance, corrugated w. age; given time and the right setting C.G. becomes a dramatic focal point. Hard to find these days.	\$30.00
<u>Commander</u>	Med, medium green, heavy subst. leaf w. wide creamy-turning-white margins. Makes a staid, neat clump	\$12.00
<u>Corn Belt</u>	Med, intense yellow leaf with wide green borders; vigorous, forming a striking clump	\$12.00
<u>Corn Muffin</u>	Med, pleasingly round, dense, compact gold; heavy subst; pebbling at maturity on round, puckered leaves. Choice.	\$14.00
<u>Crested Reef O.S.</u>	Med, staid, satiny green w. wide undulations; very nice classic	\$10.00
<u>Crinkle Cup</u>	Med. Another hard to find classic first introduced in 1971. Round, rather cupped foliage which has a good amount of rugosity. Spring expression is an eye catcher: GHOSTLY PALE CREAM which slowly becomes a blue-green in late season. A good grower, but due to its popularity and scarcity we aren't able to offer this classic every season.	\$25.00
<u>Curlew O.S.</u>	Sm, compact, tidy clump; very blue w. heavy substance; one of the nicest of the tardiana series	\$10.00
<u>Curly Fries</u>	Small, <u>award winning clean chartreuse with narrow foliage, quickly forming a compact clump</u> . Nice spray of lavender bloom in mid summer.	\$10.00
<u>Cynthia O.S.</u>	Montana type leaf with deep veining and wavy edges. Covered with a wild array of splotching, streaking and various color tones in spring. Hybridized by Cynthia Tompkins in the early 1900's. Scarce.	\$50.00
<u>Dancing Queen</u>	Lg, <u>wavy piccrust edges, clean yellow especially vivid spring color; retains color through much of season</u> ; very nice	\$12.00
<u>Dark Treasure OS</u>	Lg, very <b>round, leathery, rugose foliage; very dark, sultry green with a definite gloss</b> ; grows readily; specimen for a shady setting to keep the ultimate color expression; see NGP introductions page for pics and more info	\$50.00
<u>Day's End</u>	Lg, dark green leaves w. precise gold edges; strongly spreading mound form; rapid grower; always looks nice	\$10.00
<u>Deep Blue Sea</u>	Med, most likely Seaver's best; <b>ultra deep blue hue w. strong patina</b> ; rather cupped; very rugose; excellent specimen	\$15.00
<u>Delta Dawn</u>	Med-Lg, a unique soft chartreuse gold with creamy white edges.	\$15.00
<u>Diamond Lake</u>	Lg, <u>one of the most impressive new "blues"</u> available; DEEP BLUE, heavily puckered, strong grower. We thought it would be good, but it goes way beyond "good"! Nice 2-year old plants	\$15.00
<u>Dick Ward</u>	Lg, heavily corrugated leaf w. gold centers; wide green borders; striking clumper; takes good sun here;	\$15.00

<u>Doublouns</u>	Lg, new, heavy substanced gold; elongated, pointed foliage; good color; am sun	\$12.00
<u>Dragon Fire</u>	Lg, long pointed powdery green leaves w. reddish-purple petioles; specimen	\$14.00
<u>Dragons Eye</u>	Lg, milky green foliage with <u>tall purple petioles</u> ; lavender bloom	\$14.00
<u>Drop Dead Gorgeous</u>	VLg, Very large, vigorous and extra striking new introduction. <b>Foliage has lightly rippled gold margins that often streak down into the strong green centers.</b> Early season expression often has a silvery patina on leaf centers. <b>An exemplary and striking cultivar</b>	\$18.00
<u>Drummer Boy</u>	Med, Dense gray-green clump; heart shaped foliage; strong grower	\$8.00
<u>Earth Angel</u>	Lg, stunning gold bordered form of the equally stunning parent, Blue Angel; large, spreading established clump. choice!!	\$14.00
<u>Edge Of Night O.S.</u>	Med, very dark glossy green. w. nicely dimpled leaves; vigorous; best in deeper shade for color. One of the darkest "greens" we have seen.	\$10.00
<u>Edina Heritage O.S.</u>	Lg, long pointed green Montana type foliage with wavy edges and deeply impressed veining. A mature clump spreads to 5'. Strong grower.	\$10.00
<u>El Capitan</u>	Med-Lg, vigorous, blue-green w. wide gold border; strong grower; dense clump; distinctive coloration	\$12.00
<u>Elatior</u>	HUGE, tall, upright, glossy, moss-grn leaves; 6' scapes; grand specimen; makes strong statement. This is one of those backbone type hostas that draw a commanding focus. Give it space.	\$14.00
<u>Emeralds And Rubies</u>	Sm, glossy dense clump of shining green; reddish colored petioles, <u>shower of purple bloom</u> ; rapid grower	\$10.00
<u>Erie Magic</u>	Med, muted chartreuse with precise creamy edges; very dense well behaved clump quickly taking on clump size	\$12.00
<u>Extrovert</u>	Med-Lg, blue-green with very round foliage that expresses a reversed cupping, or extroverted form. Mature clump has generous dimples on leaf surface. This one has proven to be an exemplary parent here, producing many "extroverted" kids, several of which we are considering for introduction. Very limited. Email to check on availability. Best in a setting with high shade. NGP introduction with picture and more details on our introductions Just a few available.	\$75.00
<u>Faith</u>	Lg, round, deep gold; heavily corrugated at maturity; heavy subst; one of the best of the newer golds; Choice	\$14.00
<u>Fandance</u>	Med, yellow centers w. green rims; center turns parchment white; very nice	\$10.00
<u>First Blush</u>	Med-Sm, THE HOTTEST NEW HOSTA available, and rightly so as there is no other hosta that approaches its expression and novelty. Foliage spreads in rather a pinwheel form. <b>Leaves emerge with a strong lavender-red infusion or brushing. Petioles are strongly red and remain so through the season.</b> It merits a place in everyone's garden. CHOICE	\$20.00
<u>First Dance</u>	Lg, wide yellow center with bright green margins that streak into the centers of the leaves. Foliage has nice rippled edging. A sport of the popular 'Dancing Queen'. Strong grower that establishes quickly, giving a strong garden focal point. A favorite here	\$16.00

<u>First Frost</u>	Sm, white edging on heavy subst. blue leaves; very popular for good reason; June sport	\$12.00
<u>Fluctuans</u>	VLg, <u>tall powdery grn; heavy substanted wedge shaped foliage;</u> stately, vaselike clump; choice, dominating specimen; rare	\$20.00
<u>Formal Attire</u>	Med-lg, grn. w. pronounced, wide white border; neat, round clumper; rapid growth	\$10.00
<u>Fort Knox O.S.</u>	Med, bright gold Tokudama type w. heavy, semi cupped leaf and a rather vase shaped clump	\$12.00
<u>Fourth Of July</u>	Med-Sm, Slender, upright dark green foliage with taller scapes. Bright purple bloom which makes a good expression.	\$10.00
<u>Fragrant Blue Ribbons</u>	Med, variegated sport of Fragrant Blue; white edging on pointed leaves with <u>strong powdery blue expression</u>	\$12.00
<u>Fragrant Bouquet</u>	Lg, shimmering creamy edged mint green leaves; takes good sun here; fragrant. May not be new, but a choice hosta that grows well and always looks great to the end of the season; personal favorite	\$14.00
<u>Fragrant Fire</u>	Lg A variegated form of H. 'Old Faithful'. Large, glossy, green leaves with creamy yellow margins are held in an upright position The petioles and bloom scapes have reddish tones. Fragrant white flowers	\$15.00
<u>Frances Williams</u>	Lg, there are many so called F.W. hostas floating around. This is the real thing. Allen P. Haskell shared a start with us years ago, and he was given a start by Frances Williams herself, who found the sport in her garden. Limited number available	\$20.00
<u>Fried Bananas</u>	Lg, glossy gold leaves; vigorous compact clump; some fragrance; very nice in shade, but more gold in stronger light	\$10.00
<u>Friends</u>	Small, clean, light chartreuse with very narrow foliage, quickly forming a dense, compact clump. Nice spray of lavender bloom in mid summer. A personal favorite among the small ones here. Perfect for a small corner or edging.	\$10.00
<u>Frost Giant</u>	V-Lg, clean blue-green w. bright gold-yellow border; heavy substance. Develops some rugosity with maturity.	\$16.00
<u>Garden Party</u>	VLg, upright, heavily dimpled limey gold with narrow green edging; staid garden presence. Sport of GOLDEN SCULPTURE.	\$14.00
<u>Garden Treasure</u>	Lg, blue-grn. leaf ; dimpled, with strong intense gold border; good grower; we are impressed with the overall quality	\$12.00
<u>Garnet Prince O.S.</u>	Med, upright, vaselike clump; deep green leaf; <u>purple petioles, bright purple bloom</u>	\$10.00
<u>Geisha</u>	Med-sm, glossy grn, twisted leaf w. gold centers; strong clumper; holds shiny expression nicely; makes a great edger with dense clumps	\$8.00
<u>Gentle Giant</u>	VLg, fitting name for an impressive specimen; glaucous blue foliage that is <b>semi cupped with heavy pebbling at maturity</b> ; round mounded clumper; we have some extra nice plants lined out	\$20.00
<u>Gigantesaurus</u>	Huge, blue green foliage with wide creamy yellow margins. Fast grower. Give it space. New and CHOICE	\$25.00
<u>Gilding The Lily</u>	Med, creamy chartreuse sport of Sun Power edged in creamy gold. Slender, very pointed foliage on a dense, compact clump. Strong grower. Best expression with good morning light. NGP introduction with picture and more details on our introductions page	\$40.00

<u>Gilt Edge (Tompkins) O.S.</u>	VLg, round, <b>blue, rugose leaf; very wide gold borders</b> ; one of Chet Tompkins favorite intros; grows well even in deeper shade here; top specimen	\$25.00
<b><u>Glad Rags OS</u></b>	Med-Sm, controlled mound form; starts chartreuse, then turns to irregular green centers with wide gold borders; final change in proper siting goes to bone white borders with intense green center swaths; great companion for medium size blues and golds; see NGP introductions page for pics and more info; VERY LIMITED. (NOTE: the Glad Rags available from large nursery catalog sites are 100% tissue cultures and are usually sold as very small nupot plants. All our Glad Rags plants are from our own stock and are lined out singles from divisions of 4-year old clumps. We do not have any of our introductions tissue cultured.)	\$50.00
<u>Glory</u>	Med, vigorous gold; fine color; deeply impressed veining; neat, dense clumper; too often overlooked	\$10.00
<u>Gold Edger</u>	Med-sm, superior edger variety; sun or shade; great vigor	\$8.00
<u>Gold Regal</u>	Lg, upright vaselike gold; long petioles; spear shaped leaves; great clump impact; a favorite here; am sun	\$10.00
<u>Gold Standard</u>	Lg, lovely classic; ivory centers. w. grn. rims; best in shade; top ranked oldie that simply holds its own	\$8.00
<u>Golden Anniversary O.S.</u>	Med, waivy-edged leaf; ghostly cream spring expression; another unique oldie; strong grower with widely undulating edges	\$10.00
<u>Golden Empress O.S.</u>	Sm, heart-shaped leaves of med. gold; vigorous; <u>nice deep lavender bloom</u> ; strong grower	\$8.00
<u>Golden Fountain O.S.</u>	Med, upright, cascading clump of gleaming creamy gold; displays a shower of clean lavender blooms!	\$12.00
<u>Golden Meadows</u>	MedLg, a truly distinctive and beautiful hosta with <b>creamy white centers and blue-green margins and additional streaking into the centers. Heavy substanced, rugose foliage.</b> The colors are especially contrasty in spring when the foliage is impossible to not notice. <b>A personal favorite.</b> Good sized plants available--finally.	\$25.00
<u>Golden Sculpture</u>	V-Lg, strong, rounded mound of medium gold; heavy puckering; fast grower; specimen clump	\$12.00
<u>Grand Slam</u>	Med, glossy green, heartshaped leaf; nicely <u>ruffled edges</u> ; mounded form, late, <b>strong purple bloom</b> late in season	\$12.00
<u>Grand Tiara</u>	Med-sm, grn. w. wide gold borders; sharp all summer; our choice for the best of the Tiaras	\$8.00
<u>Great Lakes Gold</u>	Lg, tall, upright gold forming impressive clump; nice puckering at maturity; good color expression; increasingly popular w garden visitors and rightly so	\$14.00
<u>Green Piecrust</u>	Lg, deep green w <b>wavy piecrust edges and a nice sheen</b> ; quickly forms an impressive large clump; becomes quite dimpled with age; too often overlooked; one of our favorite greens.TOPS	\$14.00
<u>Green Sheen</u>	Very Lg, bright, shiny light grn; spreading habit with heavy substance; strong grower. Not ruffled, not puckered, just a good solid performer with nice sheen	\$10.00
<u>Guacamole</u>	Lg, glossy, chart. w. drk. grn. border; semi fragrant bloom; takes good sun here; more creamy tones and more compact plant in stronger sun and shimmering, deeper expression in stronger shade; has justifiably become a modern classic; TOPS	\$12.00

<u>Guardian Angel</u>	Lg, like Blue Angel. but w. <b>unique white marbled center</b> which holds quite well throughout season. UNIQUE	\$14.00
<u>Gunsmoke</u>	Lg, blue-green w. a <u>distinctive smokey overlay</u> ; heavy substanted, deeply impressed veining; widely undulating edges. We were initially rather unimpressed, but as our plants clumped up, we became more impressed.	\$12.00
<u>Gypsy Rose</u>	Med-sm, bold, creamy white center swath in a dark green leaf; compact clump; strong grower; distinctive expression	\$12.00
<u>Halcyon</u>	Med, intense, leathery blue; holds color until frost; fine classic yet to be outclassed; super companion for smaller golds	\$10.00
<u>Hanky Panky</u>	Sm, Sport of 'Striptease'; makes a fast growing 3' wide clump of dark green leaves surrounded by a gold border with a narrow white thread between the two patterns. As the season progresses, the yellow edge changes to white with an unusual light green overlay.	\$14.00
<u>Harmony</u>	Sm, very blue tardiana type w. narrow, upright habit and heavy substance; very nice	\$10.00
<u>Harpoon</u>	Med-sm, narrow, wavy edged grn. w. shiny cream border; strong grower; great for ground cover or edger; grows well even in deeper shade	\$8.00
<u>Heartache</u>	Med-sm, tightly compact clump with gold heart-shaped leaves; neat, mounded form that behaves itself	\$10.00
<u>Her Eyes Were Blue</u>	Med-sm, <u>striking powdery blue with puckered foliage and very wavy margins</u> . Finally enough again to list. CHOICE	\$18.00
<u>Hiroa Supreme</u>	VLg, spreading mound; heavy, shiny green; leaves arch upright and then tail downwards	\$10.00
<u>His Honor</u>	VL, upright, tall, absolutely commanding clump; round green leaves w. creamy borders; long petioles; a mature clump demands attention!!! CHOICE	\$15.00
<u>Holly's Dazzler</u>	Med, shiny, clean green w. strongly rippling edges; <b>strong purple bloom</b> ; nice accent plant	\$8.00
<u>Honey Pie</u>	Lg, puckered gold foliage with heavy substance and a nice shimmer. Being of Plantaginea breeding, H.P. has fragrant blossoms. Takes a fair amount of sun, but give high shade during heat of day for best expression. Good grower.	\$12.00
<u>Hope Springs Eternal</u>	Lg, <b>One of THE most exciting new hostas to become available.</b> It has just about everything you would want in a large clump: Widely undulating very ruffled edges, heart shaped foliage with a decidedly pointed end, heavy substance, good growth rate, and clean creamy white borders on blue foliage. <b>EXCELLENT in all regards.</b>	\$22.00
<u>Humpback Whale</u>	Huge, unique dome shaped blue-green leaves; quickly forms dramatic clump; give it plenty of space	\$14.00
<u>Ice Cream</u>	Sm, round green. leaves w. wide gold borders; compact, low profile; sharp unobtrusive hosta that tucks in readily to small spaces; always winter hardy here	\$10.00
<u>Ice Palace</u>	Lg, INTENSE DARK BLUE foliage, puckered and pebbled with unruly foliage. Likely "the" darkest blue we have seen. Strikingly CHOICE	\$25.00
<u>Inniswood</u>	Med; bright gold w. strong green borders; rapid grower, forming dense, striking clump; <b>takes good sun here</b> and still looks fine; a favorite here; choice	\$12.00

<u>Invincible</u>	Med, distinctive glossy green. w. wavy margins; plastic-like appearance; very nice; best in more shade where the shimmering expression is at its strongest; <b>vastly under rated</b>	\$10.00
<b><u>Invocation O.S.</u></b>	Lg, our introduction; lg, smooth gold w. cream borders; dimples with maturity; takes on brassy tone in the right light site; see description under NGP introductions	\$40.00
<u>Irish Luck</u>	Lg, if you want a totally unique glossy green, here it is; heavy substanced, shining leaves w. strongly waving edges; fast grower; you don't have to be Irish to like this one	\$12.00
<u>Island Breeze</u>	Med, Wide, dark green margins and bright yellow centers in early spring. Showy red speckled petioles that bleed up into the leaves. Foliage is nicely dimpled as plants mature. First year plants. <b>Newly available and very nice.</b>	\$20.00
<u>Ivory Necklace</u>	Sm, tidy clump of shiny green spooned leaves w. <u>pure white rims</u> ; tuck it in a spot for a bright accent	\$8.00
<u>Jack Of Diamonds O.S.</u>	Med, very heavy subst. silvery-blue w. bright gold borders; compact clump; puckers with age; another Savory intro that has proven its worth. Personal favorite.	\$25.00
<u>Jade Cascade</u>	Lg, dynamic grn. w. <b>long, deeply veined, very pointed, tall, arching leaves</b> ; personal favorite and a good hybridizing parent; TOP Speciman	\$25.00
<u>Jade Lancer O.S.</u>	Lg, an 'Antioch' kid from Tompkins with the same pure white borders that streak down into the leaf; more compact and mounded in form than parent; great vigor; our stock came from Chet Tompkins who was the hybridizer	\$10.00
<u>Janet</u>	Med, pale, lime-to-white center. w. dark green. border; am sun; a snappy smaller plant that grows quickly	\$8.00
<u>Jewel Of The Nile</u>	Med-Lg, dark green w. wide, intense gold borders; vigorous; good substance	\$10.00
<u>Joanne Johnson</u>	Sm, blue-green leaves; neat, tight, vigorous clump; Tardiana type foliage	\$10.00
<u>John Wargo O.S.</u>	Med, upright form, like a small version of Krossa R. with red petioles; a "quiet" sort of hosta that still has a very nice impact	\$10.00
<b><u>Jotunheim O.S.</u></b>	Very lg, our intro. <b>heavily puckered blue with intense color and strong frosty patina</b> ; description and pics under NGP introductions; limited	\$50.00
<u>Joy Ride</u>	Lg, elongated, unruly, blue, boat-shaped, widely undulating foliage; something different from the ordinary; strong grower	\$10.00
<u>June</u>	Sm, blue bordered and gold centered leaf; distinctive; highly favored for good reason; makes a sharp border/edger; choice	\$10.00
<b><u>Jurassic Park O.S.</u></b>	HUGE, our intro; massive spreading clump; nicely puckered foliage; give it lots of room.see full description under NGP introductions. Our mother clump readily reaches 8' across without fertilizer. You can readily find tissue cultures from various sources--small tissue cultures. We have never had any of our introductions tc'd. We ship only large size plants of 2-3 eyes.	\$35.00
<b><u>Kabuki Dancer O.S.</u></b>	Med, another Tompkins introduction that we finally have enough of to add to the general listing; heart shaped gold w. light hues that make it stand out in a darker corner; round, dense clump form; vigorous; good parent for gold kids.	\$25.00

<u>Key Lime Pie</u>	Lg, spreading clump with light green foliage outlined in chartreuse-gold. <u>Soft, pleasing color hues.</u> Very nice rippled edges. Prefers a bit more shade. Increases quickly.	\$14.00
<u>King Tut</u>	Med, bright gold with heavy substane and rugose foliage	\$20.00
<u>Komodo Dragon O.S.</u>	Very lg, deeply veined, widely undulating leaf edge; dark,shiny green; forming dramatic, specimen clump; strong grower	\$14.00
<u>Koriyama (Opipara) O.S.</u>	Med, spoon-shaped leaf w. bright gold border; good grower; nice presence in the garden	\$8.00
<u>Krossa Regal</u>	Lg, vasselike gray-grn. w. heavy patina; takes a good deal of sun here without complaint; another classic that has yet to be overtaken	\$8.00
<u>Krugerand</u>	Lg, upright, <b>vasselike BRIGHT gold</b> ; one of our favorites, and one of the best golds available; hard to find; forms a commanding clump; TOP QUALITY	\$25.00
<u>Lakefront Property</u>	Lg, deep frosty green with various subdued green tones; bordered in clean white margins that often streak down a bit into the green centers. More <b>elongated foliage with boldly wavy borders</b> and usually sporting a twisted tip. Heavy substance. <b>Strikingly distinctive.</b> NGP introduction with picture and more details on our introductions page	\$75.00
<u>Lakeport Blue O.S.</u>	Lg, heavy substanced, blue w. highly corrugated leaves at maturity; Chet Tompkins used this a great deal in his hybridizing, as did his mother, who was the hybridizer (1912); avoid strong sun for best color expression. We saw L.B. at Chet's garden years ago where it was stellar. Our stock comes from him.	\$25.00
<u>Lakeside Beach Capt.</u>	Lg, heavy substanced dark blue-grn; narrow yellow center stripe; dimpled foliage at maturity; good sport of LS Shore Master, developing a large, impressive clump.	\$12.00
<u>Lakeside Cha Cha</u>	Med, gold leaf w. white border; brightly hued clump; deeply veined, widely undulating leaf edges; great contrast with blues; personal favorite	\$12.00
<u>Lakeside Dragonfly</u>	Sm, disctinctive, narrow blue w. wavy white margins; great for ground cover or edging; great vigor	\$10.00
<u>Lakeside Shore Master</u>	Lg, blue-grn. leaves w. dominant, deep yellow center swath; vigorous; one of the best of the Lakeside introductions. Looks good all season long. CHOICE	\$14.00
<u>Lakeside Surf Rider OS</u>	V-Lg, very large, dramatic blue-green; heavy substanced, heart shaped foliage; give it space; we like it	\$14.00
<u>Lakeside Un Huh</u>	Med-Lg, hard to come by Lakeside hosta; makes a round, nicely mounded clump of blue-grn foliage; puckers nicely with maturity on round shaped leaves. (also in the trade at Lakeside Uh, Huh)	\$14.00
<u>Laura And Darrel</u>	Med, semi cupped, very rugose, heavy blue-green leaves w. wide, intense gold borders. Heavy substance. <b>Has the BRIGHTEST GOLD EDGING we have found.</b> A clunky name, but a CHOICE hosta.	\$15.00
<u>Leading Lady</u>	Lg, very, very dark, shiny heart shaped green w. gold, widely undulating edges; impressive clumper, quickly forming a large clump	\$14.00
<u>Leola Fraim</u>	Lg, very vigorous, dense clump; grn. w. creamy white borders; not new and expensive, but always nice	\$8.00

<u>Lollapalooza</u>	Lg, glossy dark. green. w. wide creamy yellow margins; deeply veined. Heavy subtended foliage which usually develops wavy margins at maturity.	\$12.00
<u>Love Pat</u>	Med, <u>intense blue, cupped, rugose</u> ; one of the very best in its class; remains distinctive and fine	\$10.00
<u>Love Story</u>	Lg, White centers with wide, dark green margins. Yellow and light green streaks jet between the center and margins. Long, pointed leaves are nicely rippled on edges. Lst year plants. <b>Newly available and excellent!</b>	\$20.00
<u>Lucy Vitols</u>	Med, lovely Tok. type leaf; gold center. w. blue edging; rugose; forms low, well behaved, spreading clump; a good choice for smaller planting sites as well as toward the front of a bed. Takes fairly good sun here.	\$10.00
<u>Maggie May OS</u>	V.Lg. a hypoleuca kid with white undersides of foliage. Smooth green with powdery effect in early season. Given time it can readily reach 6'+ across. Give it space	\$15.00
<u>Manhattan</u>	Med. Heavy subtended medium green with EXTREMELY RUGOSE foliage. A slower grower which we can list only on occasion. Stands out in a planting due to its striking expression. If you are a hybridizer, this one is a great parent for round, rugose foliage. It is one of the parents of our PALE MOON RISING. An exceptional hosta!!! LIMITED	\$30.00
<u>Marbled Cream</u>	Lg, rather pointed/wedge shaped shiny green foliage with yellow and cream streaks. Sometimes with a rather wide yellow swath. Good parent for variegated offspring. Strong grower	\$24.00
<u>Mastadon OS</u>	VLg, <b>BIG, BOLD, BLUE! Heavy substance, biscuit tufted; silvery patina.</b> High shade. On our list of the best of the large real "blues". CHOICE	\$20.00
<u>Maui Buttercups O.S.</u>	Med-Sm, very compact, dimpled, round-leafed gold; choice variety; ground hugger	\$12.00
<u>May</u>	Med, gold sport of 'June' with smooth, pleasing color that holds through summer here. Good substance; compact clumper	\$8.00
<u>Mayflower Moon</u>	Lg, round, puckered, BRIGHT chartreuse-gold; rounded mound; especially nice for a darker corner to bring in some bright qualities	\$12.00
<u>Midas Touch</u>	Med-Sm, an upright bright gold that exhibits strong puckering and heavy leaf substance. <b>Strong gold color expression remains all season long here.</b> A slower grower, but develops into a fine garden specimen. Great companion for med-sm blues, giving good contrast. More sun resistant than most other golds.	\$18.00
<u>Midwest Magic</u>	Med, understated rugose gold leaf with green margins; am sun	\$8.00
<u>Mildred Seaver</u>	Med-lg, heavy green. leaf w. creamy borders; vigorous, dense clump	\$8.00
<u>Miner Forty Niner</u>	Med-lg, <b>very pebbled foliage with good substance. Takes good sun here, producing intense gold coloration.</b> Leaves are often rather convex in form. Strong grower. NGP introduction. See our Hosta Introductions page for pictures and more detailed description.	\$75.00
<u>Miss America</u>	Lg, green edges foliage with creamy white centers. Green edging often streaks down into centers. New and Choice	\$20.00

<u>Mister Watson</u>	Med, <u>puckered gold foliage with a narrow green edging</u> . Forms a neat, compact clump. A unique expression due to its narrow edge of variegation. We like it here and finally have enough to list again.	\$14.00
<u>Montana</u>	Lg, glossy grn; pointed, deeply ribbed leaves; forms large, dramatic clumps	\$8.00
<u>Montana Aureo Marginata</u>	Very lg, beautiful, gold-bordered leaf; one of the most striking hostas to be found; EXCELLENT classic	\$12.00
<u>Montana Macrophylla O.S.</u>	HUGE, DRAMATIC tall green; leaves arch upright and then downward; great impact; give this one space	\$14.00
<u>Moonlight</u>	Med, lime-to-gold w. white border; vigorous; am sun; pleasing colors; best in shade	\$10.00
<u>Moonlily</u>	Sm, distinctly cupped gold w. spreading form; heavy subst; super distinctive; hard to find; a favorite here	\$14.00
<u>Mountain Snow</u>	Lg, long, pointed typical Montana type foliage with pure white borders	\$15.00
<u>Neat And Tidy OS</u>	Lg, dark green that is assuredly anything but 'neat or tidy'. Foliage has interesting, irregular tucks and ruffles; sometimes flat, sometimes nearly cupped. Finally enough to list this one again.	\$14.00
<u>Neptune</u>	Med, elongated, heavily ruffled blue-grn foliage; strong blue in spring; strong grower that makes an eye-catching clump; we like it	\$12.00
<u><b>New Kid On The Block</b></u>	Med-Lg, 2022 introduction; creamy gold borders that streak down into the green centers of foliage. <b>Rounded and cupped ventricular shape with a distinct pointed end. Very dimpled on a more mature clump.</b> Good substance. NGP introduction with picture and more details on our introductions page	\$50.00
<u>Niagra Falls</u>	Lg, tall, stately specimen clump; deeply veined green leaves arch upward and then tip down; wavy edges;	\$14.00
<u>Night Before Christmas</u>	Med, deep grn. w. pure white centers; extra showy; rapid growth	\$8.00
<u>Nigrescens</u>	Lg, tall, stately vaselike clump w. glaucous, light powdery grn. leaves; cupped and puckered at maturity; a great favorite here	\$10.00
<u>Northern Exposure</u>	Lg, vigorous blue Sieb. w. wide clean creamy white borders; popular	\$15.00
<u>Northern Halo</u>	Lg, round leafed blue w. wide white borders; spreading habit	\$15.00
<u>Northern Star</u>	Lg, puckered blue-grn. Sieb. type w. bright gold borders; makes very large Frances Williams type clump	\$14.00
<u>Old Faithful</u>	Lg, <u>upright, glossy green</u> w. purple hued petioles; mildly fragrant bloom; strong grower, forming a large rather upright, dense clump with wide, sturdy petioles.	\$10.00
<u>Old Glory</u>	Lg, bright heart shaped gold; streaked drk. grn. edges; <u>takes good sun here</u> ; mounded clump, always showy; we like it	\$10.00
<u>Olive Bailey Langdon</u>	Lg, choice Frances Williams type, but taking much more sun; heavy subst, round, corrugated foliage with wide gold borders	\$12.00
<u>On The Border</u>	Med, widely lanced, deep green, shiny leaves w. yellow edges turning cream/white	\$8.00
<u>One Last Dance</u>	Lg, it would take a lot to equal the quality of the renowned Dancing Queen, but this sport has proven equal to the task. The same clump form with the same nicely rippled edges, O.L.D. sports a dark green center that feathers out into a wide gold margin that morphs into more of a cream tone in mid summer. A strong grower that forms a bit larger clump than D.Q. This newer one is exceptionally fine.	\$14.00

<u>Packer Backer OS</u>	Lg, our intro, a choice sport of Abiqua Recluse; <b>rugose blue-grn centers w wide strong gold borders</b> ; super hosta (super team); a few to let go; see NGP introductions page for pics and more info.	\$50.00
<u>Pale Moon Rising</u>	Med-Lg, <b>very round leaves with a recurving expression; unfurls with a pale cream expression which very slowly takes on a more chartreuse expression in late summer. Very dimpled, honeycomb expression at maturity. A distinctive hosta that we are very pleased with. Forms a rounded mound. VERY late to emerge in spring, escaping frosts. NGP introduction with pictures and more details on our introductions page.</b>	\$100.00
<u>Paradigm</u>	Med-lg, leaf centers turn <u>intense gold</u> w. blue borders; round, heavily dimpled foliage; contrasty colors	\$14.00
<u>Paradise Joyce</u>	Med-Sm, a unique changling with the leaves emerging solid blue in spring and gradually developing chartreuse to yellow centers which brighten to ivory/	\$10.00
<u>Parhelion</u>	Huge, 'Sum And Substance' sport; green-gold. w. clean,white borders; distinctive from most other S&S sports	\$16.00
<u>Patriot</u>	Med, glossy, waxy drk. grn. w. wide, irreg. pure white margins; compact clump; strong grower	\$8.00
<u>Paul's Glory</u>	Med-Lg, large, bright gold centers with intense green-blue margins; rugose at maturity; strong grower. This one is on our top list of most sun tolerant	\$10.00
<u>Permanent Wave O.S.</u>	Med-Sm, solid, glossy green; upright form with very wavy edges; vigorous	\$10.00
<u>Pewterware</u>	Med-sm, intense silvery blue; wavy edges; very nice	\$10.00
<u>Piedmont Gold</u>	Lg, classy light creamy gold; commanding clump; pm shade; it's been around for years, but still holds its own	\$10.00
<u>Pilgrim</u>	Med-sm, heavy subst; cream edge; dense,fast growing clumper; showy purple bloom	\$8.00
<u>Pioneer (Tompkins) O.S.</u>	Lg, deeply veined montana leaf w. piecrust edging; rather spreading clumper; dark green; specimen w. strong breeding potential. A hard to find classic hybridized by Cynthia Tompkins in 1912. Our source was from her son, Chet.	\$15.00
<u>Pizzazz</u>	Med, frosty blue with white, wavy edges; compact and showy	\$10.00
<u>Pleasure Seeker O.S.</u>	Med-lg, our introduction; <u>steely blue, deeply veined, undulating edges</u> , twist at end of elongated foliage; strong grower so it can be sited in deeper shade for best color where it will maintain a frosty expression; large 2-eye/fan plants available;see description/pictures under NGP introductions	\$30.00
<u>Powder Blue</u>	VLg, upright, strong <u>powdery blue patina; dimpled, heavy subst. foliage; favorite large blue here; even a single fan is distinctive. CHOICE!</u>	\$16.00
<u>Prairie Sky</u>	Med-sm, tight clump of very powdery blue; mildly cupped leaves of heavy substance. Very nice expression.	\$12.00
<u>Praying Hands</u>	Sm, absolutely unique, narrow, vertical leaves; fine gold edges; heavy substance; forming upright expression; totally distinctive--nothing comes close to this expression	\$10.00
<u>Queen Josephine</u>	Med-Sm, glossy shiny dark green with strong gold borders. Neat, compact dense clump; Strong grower. We have grown and appreciated it since its introduction.	\$8.00

<u>Queen Of The Seas</u>	Lg, very rugose, powdery blue with <b>piecrust edging</b> ; choice specimen heavy subst; for best color avoid stronger sun settings.	\$14.00
<u>Rabble Rouser</u>	Lg, pebbled foliage of heavy substance, forming a dense, controlled mound; consistent wide gold border on leaves. NGP introduction. See our Hosta Introductions page for picture and more detailed description.	\$50.00
<u>Rags To Riches</u>	Med-Sm, <b>gold-chartreuse in early spring, then quickly turning bright gold</b> ; neat, compact clump, making great contrast with blues; a Glad Rags kid. None available for 2025	N.A.
<u>Rain Dancer</u>	Lg, upright mound; wide, glossy, yellow bordered sport of Blue Umbrellas. Even a young plant draws attention.	\$14.00
<u>Rainbow's End</u>	Sm, <b>glossy gold foliage with dark green edges that streak down to the centers of the leaves</b> , creating a rather wild, unruly expression. This new hosta is a rapid grower, quickly forming a tense low clump.	\$14.00
<u>Rascal</u>	Lg, vasselike gold w. narrow green border; am sun; distinctive sport of Gold Regal	\$10.00
<u>Rebel Heart</u>	Med, blue-grn turning dark green; cream borders on heavy substanced foliage; vigorous	\$10.00
<u>Refiner's Fire</u>	Lg, our introduction from Burnished Brass; bold, <b>splash centers start chartreuse and then turn brassy gold; irregular green borders streak down into the centers of the leaves</b> ; choice cultivar that is a real standout in the gardensee pics and further into on NGP intro page; you will not be disappointed!	\$100.00
<u>Reflected Glory</u>	Lg, rather powdery green leaves with broad cream borders. Becomes quite rugose with age. Forms a spreading, rather upright clump. We have grown it for years and always enjoyed its presence here.	\$18.00
<u>Regal Rhubarb O.S.</u>	Med, dark green with rubard red petioles at base of clump; boat shaped leaves; upright vasselike clump	\$10.00
<u>Regal Splendor</u>	Lg, 'Krossa Regal' w. creamy-gold border; takes strong sun here; an exemplary sport of an exemplary classic;choice	\$10.00
<u>Regalia</u>	L, upright vasselike choice sport of Krossa Regal. Wavy green leaves with <u>marbled lime centers</u> . Distinctive hosta that holds its unique color through the season. Scarce, limited	\$25.00
<u>Reptillian</u>	Med, metallic blue with heavy substance and undulating edges; rugose at maturity; distinctive expression that absolutely stands out! Super companion for medium to small size golds.	\$14.00
<u>Rhinestone Cowboy</u>	Med-lg, limey grn w. wide, creamy white borders; heavy subst.	\$16.00
<u>Rich Uncle</u>	Lg, lightly cupped gold of heavy substance; rugose, forming mounded clump	\$14.00
<u>Richland Gold</u>	Lg, lime-gold becoming cream; soft hues; am sun; very nice tucked in next to medium sized blues	\$8.00
<u>Robert Frost</u>	Lg, upright powdery blue-green with wide cream borders; nicely mounded clumper; <u>it should be in every collection</u> ; one of Lachman's best; shady settings; one of those hostas you can identify among the crowd	\$14.00
<u>Rosedale Golden Goose</u>	Med, pebbled chartreuse turning to bright yellow mound; well behaved clump	\$12.00

<u>Rough Knight</u>	Lg, moderately <u>cupped blue-green</u> of heavy substance and shiny <u>expression</u> . Leaf surface covered with puckers. The distinct sheen is <u>especially nice</u> . Site in an area with a bit more shade. A newer hosta that is recognizable among the crowd.	\$14.00
<u>Royal Tapestry</u>	Med, ovate green leaves with clean chartreuse borders and impressed veining. Nice powdery expression on leaf surfaces. Tends to have a spreading effect rather than totally upright growth. A hard cultivar to find for some reason.	\$10.00
<u>Royal Wedding</u>	Med-Lg, shiny green leaves w. clean, creamy white borders; large, FRAGRANT, white summer bloom; newer and very nice	\$12.00
<b><u>RSVP</u></b>	Med, 2022 introduction; <b>deep clean green with creamy white borders that turn pure white as the season progresses</b> . Round foliage which puckers nicely. Maintains a lower profile, so good for front of border. NGP introduction with picture and more details on our introductions page	\$40.00
<u>Ryans Big One O.S.</u>	Lg, heavily puckered, round blue-green forming very large clump; best in pm shade	\$12.00
<u>Sagae</u>	Lg, REGAL vasselike clump; wide, creamy border; am sun; simply one of the very best!!	\$10.00
<u>Salute</u>	Sm, Narrow, pointed powdery blue leaves which are held erect to form a vase shaped upright clump. Wavy edges and heavy substance. Just a few available this season	\$10.00
<u>Samurai</u>	Lg, heavy, round blue-grn w. wide deep gold borders; very showy clump; pm shade	\$20.00
<u>Satin Beauty O.S.</u>	VLg, heavy substed, lustrous, glossy chartreuse; rapid growth; distinctive shimmering clump	\$10.00
<u>Satisfaction</u>	Lg, exemplary sport of Piedmont Gold; green. leaf w.very wide gold border; good grower; <b>CHOICE. On our list of TOP TEN</b>	\$14.00
<u>Savannah</u>	Lg, green mottling, white edging; late, fragrant bloom; extreme vigor and takes heavy shade	\$8.00
<u>Sea Dream</u>	Med, soft golden chartreuse w. narrow precise yellow borders; glowing focal point in shade	\$10.00
<u>Sea Lightning</u>	Med-Lg, mound of glossy green foliage with variable streaking of yellow and white. Good grower; Limited	\$20.00
<u>Sea Thunder</u>	Med, elongated, shiny foliage with glistening, pure white leaf centers and dark green margins	\$10.00
<u>Seargent Pepper OS</u>	Med, heart shaped foliage with wavy edging and puckering at maturity. Broad, showy chartreuse-yellow borders with light green center swath. Very distinctive and in a class of its own. Personal favorite. Scarce and limited.	\$25.00
<u>September Sun</u>	Med-lg, sun-loving, gold centered leaf w. dark grn. margins	\$8.00
<u>Shade Fanfare</u>	Med-lg, ventricular leaf w. cream margins; <u>takes good sun here; a classic that holds its own in any competition</u>	\$10.00
<b><u>Shades Of Green</u></b>	Lg, very glossy green foliage coming to a sharp tip. <b>Wide cream-turning-white borders streak down into green centers, producing varying tones of green expression</b> as they converge. NGP introduction.	\$50.00
<u>Shadowfax</u>	Med-Lg. None available in 2025	
<u>Sharmon OS</u>	Med, dense clump; <u>heavily streaked/marbled w. white/cream; wild spring expression</u>	\$10.00

<u>Sheer Bliss</u>	Med-Sm, spreading, dense, compact clump of chartreuse green with creamy gold borders on round foliage. A Tompkins introduction that he wanted to have listed before his passing.	\$15.00
<u>Shirley Vaughn</u>	Med-Lg, glossy, very dark moss green w. glossy leaf surface; creamy borders that turn white	\$8.00
<u>Silk Komono</u>	Lg, elongated, wavy edged leaf w. wide, cream-turning-to-white borders; a mature clump is a knockout; a personal favorite; CHOICE	\$14.00
<u>Silly String</u>	Sm-Med, A distinctive rounded, spreading clump of <b>narrow, very ruffled blue leaves. Distinctive expression.</b>	\$12.00
<u>Silver Bay</u>	Med, <b>intense, silvery blue</b> ; round, rugose, heavy substanced leaves; forms flat, dense mound; great color; another FINE newer Midwest blue	\$14.00
<u>Silver Bowl O.S.</u>	Lg, round, rugose, sieboldiana type with <b>intense blue patina</b> ; strong grower, cupped form, forming rounded compact mound; best expression with high shade.	\$16.00
<u>Silver Giant O.S.</u>	Very lg, <b>bold, stately Sieboldiana type; large, puckered, silvery blue leaves of heavy subst</b> ; a hard to come by garden specimen of great merit	\$20.00
<u>Snake Eyes</u>	Med. Likely the most unique sport of Striptease. Foliage pointed and somewhat twisted. Outer borders of dark green with inner section of Chartreuse green and pure white center streaking. Quickly forms a dense, compact clump. Limited availability.	\$25.00
<u>Snow Crust</u>	Lg, pointed leaf; dark green w. pure white borders; showy, vigorous	\$8.00
<u>Sound Of Music</u>	VLg, blue green foliage with creamy white center swaths. Edge color often streaks down into centers for added interest. Strong grower. Heavy substance and nicely corrugated. New and Choice	\$22.00
<u>Sparkling Burgundy O.S.</u>	Sm, deep very dark grn., glossy leaf w. bright <b>shower of purple bloom</b> ; rapid growth on compact clump	\$8.00
<u>Spartan Glory</u>	Lg, heavy substanced, deeply veined green leaves with creamy white margins; spreading habit; strong grower. This one always looks nice. Personal favorite. Finally enough to list again.	\$14.00
<u>Spinach Patch O.S.</u>	Med, compact, clean green w. round, very rugose leaves; dense clumps	\$10.00
<u>Spotlight O.S.</u>	Lg, elongated bright gold leaf; vasselike clump; shining, glossy effect	\$14.00
<u>Spring Fling</u>	Lg, broad dark grn leaves with creamy white borders. <b>DISTINCTIVE heavily rippled undulating edges.</b> We finally have enough again to list. CHOICE	\$18.00
<u>Squire Rich O.S.</u>	Med-sm, rapid border type gold; ventricular; compact clump; shower of lavender bloom	\$8.00
<u>St Paul</u>	Lg, bright gold w. wide blue-green margins; sharp sport of 'Pauls Glory'; good grower	\$10.00
<u>Stained Glass</u>	Med, shimmering, glossy gold w. green edging; mounded, compact clumper; fragrant; an ugly ducking in the spring, but shines as the season warms; at its best in summer's heat; choice	\$10.00
<u>Standing Room Only OS</u>	VLg, reciprocal sibling to Jurassic Park; grows to 6' across with very <b>tightly packed foliage; heavy substance; highly rugose, unruly leaf</b> form; see NGP introductions page for pics and more info	\$35.00

<u>Streets Of Gold O.S.</u>	Lg, our intro; rather <b>round intense gold leaves; mounded clump; puckers nicely</b> ; pictures and description under NGP introductions	\$50.00
<u>Striptease O.S.</u>	Med-lg, grn. w. ivory center; choice; mature divisions; quickly became a classic	\$10.00
<u>Sugar And Cream</u>	Lg, semi-cascading apple green with wavy white edges. Sport of Honeybells; fragrant bloom. Rock hardy.	\$8.00
<u>Sugar And Spice</u>	Med, 'Invincible' w. cream borders; <u>glossy foliage</u> ; compact clump; this is a nice one! Best in a bit more shade.	\$8.00
<u>Sum And Substance</u>	HUGE, golden chart; heavy, shiny leaves; am sun; specimen, classic	\$10.00
<u>Sum It Up</u>	HUGE, 'Sum & Sub.' sport w. precise gold margins; upright form w. more chartreuse tones than parent; tall and a strong grower	\$12.00
<u>Summa Cum Laude o.s..</u>	VLg, our introduction; deeply veined w. <b>creamy gold borders; round, reflexed leaves</b> ; while most S&S sports take time to color up, S.C.L.shows border color instantly; picture and description under NGP introductions	\$50.00
<u>Summer Breeze</u>	Med, dark green leaves with very <b>wide gold borders</b> . <i>Compact clump with very nice visual appeal</i> . Finally enough to list again. Choice and a personal favorite.	\$15.00
<u>Summer Fragrance</u>	Lg, medium green with cream-white edging. Light lavender blooms that do have some fragrance here.	\$8.00
<u>Summer Squall</u>	Med-sm, heavy subenced blue with silvery patina; a rather arrowhead type of leaf form. Best in shadier site. EXCELLENT COLOR	\$12.00
<u>Sun Chariot</u>	VLg, The 9 year old mother clump here measured over 50 inches across with a spreading habit. <b>Substance is very heavy. Deep gold with ovate foliage which becomes very rugose with age</b> . Takes good sun here. Has proven to be a good parent for golds and creams. See picture and more lengthy description under NGP introductions.	\$75.00
<u>Sun Power</u>	Lg, brilliant gold; Montana type leaf; the best in its class by far; semi spreading form with wide undulations; THE classic gold	\$12.00
<u>Sun's Glory O.S.</u>	Lg, upright, cupped, rugose, heavy subenced gold; vasselike form; puckers nicely at maturity; give some morning sun for best color; favorite here	\$12.00
<u>Sunny Disposition</u>	Med-Sm, sun tolerant, vigorous; turns INTENSE gold w. bright purple bloom; very contrasty; totally under rated	\$12.00
<u>Sunny Smiles O.S.</u>	Med-lg, round, chart. w. cream borders; compact, takes sun; sibling to Shade Fanfare, but with broader leaves	\$14.00
<u>Sunshine Glory</u>	Lg, heavily corrugated cream chart. w. wide gold margins; some a.m. sun for best color	\$12.00
<u>Superbowl</u>	Med, tok. type; <b>heavily cupped, puckered, gold</b> ; excellent; aptly termed a golden Love Pat. Hard to find; CHOICE; a.m. sun	\$25.00
<u>Sutter's Mill</u>	Lg, <b>puckered, very rugose fast growing gold with intense color</b> . Forms a large, commanding clump. CHOICE	\$15.00
<u>Sweet Sunshine</u>	Lg, glossy, shining gold; pebbly, cupped foliage; mound shape; fragrant bloom; personal favorite	\$15.00

<u>Tea Ceremony OS</u>	Med, Steve Moldovan is best known for his hundreds of daylily introductions, but he also worked on the side with hybridizing hostas. We obtained TEA CEREMONY from him years ago and have enjoyed it thoroughly due to its distinctive nature. We finally have enough stock to offer it again. T.C. has heavy subtended blue-silver foliage with powdery overlay. Rather heartshaped leaves becomes semi cupped with maturity. Distinctive and appreciated here.	\$25.00
<u>Temple Bells O.S.</u>	Sm, Intense, vigorous dark green clump; absolutely <u>worth having for the airy BRIGHT PURPLE BLOOM.</u> We will always keep for the bloom alone. No other hosta bloom quite like this.	\$10.00
<u>Tenryu</u>	Lg, upright, powdery blue-grn; heavy subst. vasselike clump; the vasselike form is especially strong on a younger plant; distinctive presentation	\$10.00
<u>The Razer's Edge</u>	Sm, narrow grn. leaves w. rippled edges; RED petioles; <u>heavy shower of lavender bloom</u> ; very strong grower; novel	\$8.00
<u>Thunderbolt</u>	Lg, round blue leaves with a gold-to-cream center swath. Nice, powdery patina. Foliage becomes quite dimpled with age. Color expression is very appealing. Finally enough to list again. A personal favorite here. Limited supply.	\$15.00
<u>Tiffany Tune O.S.</u>	Med-sm, our introduction; <u>glossy, shimmering gold-to-chart; deep purple bloom</u> ; we grow it as a companion for Maiden Hair Fern, which makes a very pleasing effect; pictures and description under NGP hosta introductions	\$40.00
<u>Time In A Bottle</u>	Sm-Med New for 2023 (yearling plant) Narrow yellow foliage with undulating edges. Especially clear spring expression. AND, as another "plus" this new hosta sports a <b>strong flush of intense purple bloom which makes for fine contrast.</b>	\$12.00
<u>Torchlight</u>	Med, upright, glossy grn. w. showy white edge; purple bloom; does well even in heavy shade	\$8.00
<u>Touch Of Class</u>	Sm, heavy subst, <u>intense blue w. bright gold center stripe</u> ; good contrasty color expression; sport of HALCYON; established clump is choice	\$12.00
<u>True Blue</u>	Lg, <b>strong silvery patina</b> ; heavy subst; rather elongated, pointed leaf; a "different" type of Sieboldiana expression; distinctive; strong grower; rugose with maturity	\$12.00
<u>Twilight Shimmer</u>	Lg, VERY GLOSSY, SHIMMERING ventricular foliage. Forms a mound type clump. White blooms form a good contrast with the foliage. Strong grower; best expression planted in a more shady. See picture and more description on NGP web site.	\$35.00
<u>Uguis OS</u>	Med-sm, pointed viridescent foliage, <b>emerges a ghostly cream and slowly turns to a milky blue-green.</b> A strikingly novel expression.	\$12.00
<u>Ultramarine</u>	Med, taller clump of long, deeply veined, pointed, lanceolate, heavy, deep blue leaves	\$10.00
<u>Unchained Melody</u>	VLg, shiny leaves; heavy subst; dominant yellow borders; strong grower; Forms a very large, spreading clump quickly. Personal Favorite; Big and very showy	\$14.00
<u>Unforgettable</u>	Med, round, green. w. wide yellow border; good grower; dense clump. Becomes rugose/dimpled with maturity, making good impact.	\$14.00

<u>Vanilla Cream</u>	Sm, <u>neat, compact clump of rather spoon shaped foliage</u> . Soft cream to gold-chartreuse tones. Super companion for blue hostas. We aren't totally keen on on small hostas, but this is one of the smaller ones that is <b>choice</b> .	\$10.00
<u>Versailles Blue OS</u>	Lg, full, rounded mound of dimpled blue foliage. Hybridized by Cynthia Tompkins (Chet Tomopkins' mother) around 1920. Still holds its own with new introductions. A really fine hosta with a lot of history behind it.	\$40.00
<u>Victory</u>	V.Lg, spectacular gold edged form of Nigrescens Elatior; like its parent, Victory has a pleasing, glossy expression. <b>SUPERIOR!!! Even a single plant makes a statement. We place this one toward the top of our favorites list.</b>	\$15.00
<u>Voices In The Wind</u>	Lg, An exceptional large cultivar with wedge shapes foliage. <b>Deep blue-green centers with creamy gold margins and big, bold ruffles.</b> Leaf tips twist and turn. Strong grower.	\$16.00
<u>Wave Runner</u>	Med, soft chartreuse w. wide, <u>very wavy borders</u> ; strong grower, forming dense clump; best expression with dappled shade	\$12.00
<u>When I Dream</u>	Lg fast growing mound of creamy white centered leaves; rippled leaf margins. New and choice	\$20.00
<u>Whirlwind O.S.</u>	Med, very dense, compact clump; white stippled centers with good contrast to shiny, deep green foliage; makes a tight, eye-catching clump	\$12.00
<u>Wide Brim</u>	Med-Sm this is one of those classics that has withstood the test of time. Neat, compact clump of dark green foliage and creamy yellow borders. Round leaves. Continues to deserve a place in any garden setting.	\$10.00
<u>Wind Beneath My Wings</u>	VLg, New last season. Distinctive overall expression. Strong blue with nice patina, tightly crimped edging. Given a few seasons it will develop into a focal point in your garden. Dappled shade for best color. Strong grower. <b>Everything about this cultivar is exemplary.</b>	\$18.00
<u>Winfield Gold</u>	Lg, vigorous, shadowed gold w. deeply veined, elongated leaves; another of the golds that is unfortunately often overlooked	\$10.00
<b><u>Wings To Fly OS</u></b>	Med-Sm, <b>spring expression smooth very pale cream; slowly turns to chartreuse</b> ; usually with vestigial leaves on bloom nodding scapes; strong spray of light, lav-pink bloom	\$40.00
<u>Wintergreen</u>	Med, rich, clean grn; <u>pure white margins</u> ; strong color contrast, making a good focal point	\$12.00
<u>Wishing Well</u>	Med-Lg, very nice blue with good silvery patina. Heavy substance and nice puckering at maturity. Compact format. Best color with a bit more shade.	\$10.00
<u>Wolverine</u>	Med-Sm, long, pointed blue leaf w. gold borders; vigorous, open formed clump	\$10.00
<u>World Cup</u>	Med, hard to say enough good about this great gold! Foliage is <b><u>distinctly cupped and held aloft by petioles in a semi vasselike form.</u></b> Heavy substance; nicely dimpled at maturity. Just always looks great! Very nice as a young plant and CHOICE with a bit of age	\$18.00
<u>Yellow River</u>	Lg, intense, elongated, pointed blue-grn. w. bright gold borders; p.m. shade; no fuss hosta that forms a well behaved clump and is as care free as they come	\$10.00

<u>Yellow Splash Rim</u>	Sm, <b>glossy lanceolate foliage with bright gold borders</b> . Its shiny green background makes for a good contrast with the gold edgings. Mildly stoloniferous. We have grown it for 20+ years and would not want to be without it.	\$8.00
<u>Zounds</u>	Med, <b>Heavy substanted bright gold foliage; very pebbled texture and more of a cupped expression</b> as a plant matures. A slower grower that is worth the wait as it brightens up a shady corner. Great companion for cultivars like Abiqua Drinking Gourd, Love Pat, etc. We have just a VERY FEW available to list again.	\$20.00
